CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

An explanatory statement for such purpose is set out in Appendix I to this circular.

EXTENSION MANDATE

In addition, an ordinary resolution will also be proposed at the Annual General Meeting to extend the Issue Mandate by the addition thereto the aggregate number of Shares repurchased under the Repurchase Mandate.

The Repurchase Mandate and the Issue Mandate would expire at the earliest of: (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the Company is required by the Companies Law or the Articles to hold its next annual general meeting; or (c) when revoked or varied by ordinary resolution(s) of the Shareholders in a general meeting prior to the next annual general meeting of the Company.

Recommendation of the Nomination Committee

The Nomination Committee had assessed and reviewed the annual written confirmation of independence of each of the independent non-executive Directors for the year ended 31 March 2020 based on the independence criteria as set out in Rule 5.09 of the GEM Listing Rules and confirmed that all of them, including Mr. Xing Shaonan, remain independent.

In view of the diversified knowledge, experience and skills of Mr. Xing Shaonan, the Board believes that his expertise will enable him to fulfill his roles as an independence non-executive Director effectively and can provide useful and constructive opinion and make contribution to the Board and future development of the Company. Also, based on the background of Mr. Xing Shaonan including but not limited to his gender, cultural and educational background, ethnicity, professional experience, skills and knowledge, it is believed that Mr. Xing Shaonan can contribute to diversity of the Board.

The Nomination Committee had evaluated the performance of each of the retiring Directors for the year ended 31 March 2020 and found their performance satisfactory. Therefore, the Nomination Committee nominated the retiring Directors to the Board for it to propose to Shareholders for re-election at the Annual General Meeting. Accordingly, with the recommendation of the Nomination Committee, the Board has proposed that all the retiring Directors, namely Mr. Wu Di and Mr. Xing Shaonan (collectively, the “**Retiring Directors**”) stand for re-election as Directors at the Annual General Meeting.

Information about the Board’s composition and diversity as well as the attendance record at the meetings of the Board and/or its committees and the general meetings of the Directors (including the Retiring Directors) is disclosed in the directors’ report and corporate governance report of the 2020 annual report of the Company.

Brief biographical and other details of the Retiring Directors who are subject to re-election at the Annual General Meeting are set out in Appendix II to this circular in accordance with the relevant requirements of the GEM Listing Rules.

LETTER FROM THE BOARD

RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

GENERAL

Your attention is drawn to the additional information as set out in the Appendices.

Yours faithfully,

For and on behalf of the Board of
Zhicheng Technology Group Ltd.
Wu Di
Chairman

This Appendix I serves as an explanatory statement, as required by the GEM Listing Rules, to provide requisite information as to the proposed Repurchase Mandate.

1. GEM LISTING RULES RELATING TO THE REPURCHASE OF SHARES

The GEM Listing Rules permit GEM listed companies to repurchase their shares on GEM and on any other stock exchange recognised by the Securities and Futures Commission of Hong Kong and the Stock Exchange subject to certain restrictions. Among such restrictions, the GEM Listing Rules provide that the shares of such company must be fully paid up and all repurchase of shares by such company must be approved in advance by an ordinary resolution of shareholders, either by way of a general repurchase mandate or by specific approval of a particular transaction.

2. ISSUED SHARES

As at the Latest Practicable Date, there were a total of 400,000,000 Shares in issue.

Subject to the passing of the proposed resolution granting the Repurchase Mandate and on the basis that no further Shares will be issued or repurchased between the Latest Practicable Date and the date of the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 40,000,000 Shares, which represents 10% of the aggregate number of issued Shares as at the date of passing the resolution.

3. REASONS FOR THE REPURCHASE

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on GEM or any other stock exchange on which the Shares may be listed. Share repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders as a whole.

4. FUNDING OF REPURCHASES

In repurchasing the Company's securities, the Company may only apply funds legally available for the purpose in accordance with the Articles and the Companies Law.

5. IMPACT ON THE WORKING CAPITAL OR GEARING POSITION OF THE COMPANY

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as reflected in the latest published audited financial statements of the Company. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company.

6. SHARE PRICES

The Shares are trading on GEM and the highest and lowest prices at which the Shares have been traded on GEM in each of the 12 months immediately preceding the Latest Practicable Date are as follows:

Month	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2019		
June	0.300	0.174
July	0.216	0.175
August	0.210	0.170
September	0.182	0.150
October	0.160	0.131
November	0.162	0.131
December	0.157	0.132
2020		
January	0.168	0.120
February	0.140	0.120
March	0.142	0.061
April	0.157	0.098
May	0.130	0.086
June (up to Latest Practicable Date)	0.110	0.089

7. THE TAKEOVERS CODE

If a Shareholder's proportionate interest in the voting rights of the Company increases when the Company exercises its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 and Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge of the Directors, each of the controlling shareholders (as defined in the GEM Listing Rules) of the Company, namely Mr. Wu Di (through IFG Swans Holding Ltd.) and IFG Swans Holding Ltd. (the "**Controlling Shareholders**"), control the exercise of 73.49% voting rights in the general meeting of the Company. In the event that the Directors should exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Repurchase Mandate (if such shareholdings otherwise remain the same), the interests of the Controlling Shareholders would increase to approximately 81.65% of the issued share capital of the Company. Such increase will not give rise to an obligation to make a mandatory offer under Rule 26 and Rule 32 of the Takeovers Code. The Directors have no intention to exercise the Repurchase Mandate to such an extent that results in a public shareholding of less than the minimum public float requirement under the GEM Listing Rules.

8. SHARE REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of its Shares (whether on the Stock Exchange or otherwise) during the previous six months preceding the Latest Practicable Date.

9. GENERAL

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the GEM Listing Rules) has any present intention to sell any Shares to the Company if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that they will only exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Articles, the GEM Listing Rules and the applicable laws of the Cayman Islands.

No Core Connected Person of the Company has notified the Company that he or she has any present intention to sell any Shares to the Company nor has any such Core Connected Person undertaken not to sell any Shares held by them to the Company in the event that the Repurchase Mandate is granted.
