If Mr. An attains the age of 65-year old or above and is no longer a Director, he shall tender his resignation from his position with the Group when he delivers the notice to exercise the Options to the Company except that he has already resigned from his position with the Group before he delivers the notice to exercise the Options to the Company.

As at the Latest Practicable Date, the Company had 3,956,638,000 Shares in issue, and the Proposed Grant represents approximately 6.16% of the Shares in issue.

The Shares to be issued and allotted upon the exercise of the Options will rank *pari passu* in all respects with the Shares in issue as of the date when the name of each of the Grantees is registered on the register of members of the Company and accordingly will entitle the holder the same rights in relation to voting, dividends, transfers and other rights (including those arising on liquidation of the Company) as attached to the fully-paid Shares in issue in accordance with the Articles of Association.

As at the Latest Practicable Date, the Company had granted 132,500,000 Options carrying the rights to subscribe for an aggregate of 132,500,000 Shares (including the grant of Options to Mr. Zhang on 23 December 2020), representing approximately 3.35% of the Shares in issue as at the Latest Practicable Date. Among which, 3,000,000 Options had lapsed, 2,000,000 Options had been forfeited, a total of 49,000,000 Options granted have been exercised and the 78,500,000 Options remain outstanding. Upon exercise of the 243,763,800 Options granted to Mr. An under the Share Option Scheme, 243,763,800 new Shares will be issued by the Company, represent approximately 6.16% of the Shares in issue and have an aggregate value, based on the closing price of the Shares at the Date of Grant, of HK\$97,505,520.

LETTER FROM THE BOARD

None of the Directors is a trustee of the Share Option Scheme nor has a direct or indirect interest in the trustee(s) of the Share Option Scheme.

Reasons for the Grant of Options to Mr. An

The Proposed Grant is to recognize the contributions of Mr. An to the business performance of the Group and as incentives for his continuing commitment and contribution to the Group in the future.

Mr. An was appointed as the chairman of the Board and executive Director of the Company since July 2002. He has many years of experience in China business particularly in the provision trading of petroleum products and petrochemicals, properties investments and developments in China. He is responsible for the overall strategic planning and business development of the Group.

The Group is principally engaged in providing integrated facilities of jetties, storage tanks, warehousing and logistic services in south China for petroleum and liquid chemicals products, offering value-added services in its own ports and storage tank farms, trading of oil and petrochemical products and operating a filling station business. Under the leadership of Mr. An, the Group captured the strategic opportunity to participate in a key transportation sector of Hong Kong by the acquisition of 8.6% shareholding interest in Bravo Transport Holdings Limited in 2020. Bravo Transport Holdings Limited, through NWS Transport Services Limited, indirectly engaged in the provision of public bus and travel related services in Hong Kong, including operations of bus services in Hong Kong through, among others, public bus franchises granted under the Public Bus Services Ordinance (Cap. 230 of the Laws of Hong Kong).

The successful acquisition of 8.6% shareholding interest in Bravo Transport Holdings Limited enables the Group to step into the Hong Kong market, diversify the Group's business from petroleum and liquid chemicals-related business to transport and travel related business and explore further business opportunities with Bravo Transport Holdings Limited and its subsidiaries on fuel related operations and other business opportunities. This new milestone was well-received by the market, boosting Share price which previously ranged from HK\$0.210 to HK\$0.325 per Share in 2020 prior to the publication of announcement regarding the acquisition of 8.6% shareholding interest in Bravo Transport Holdings Limited to as high as HK\$0.465 per Share after such acquisition.

The Proposed Grant was determined by the Company with reference to the roles of Mr. An and his contributions in the Company, including the successful acquisition of 8.6% shareholding interest in Bravo Transport Holdings Limited and the subsequent positive impact on the Group's business. The Board considers that given Mr. An's expertise and management skills, his continued contribution to the Group will be of critical importance to the development and growth of the Group, and therefore it is appropriate to grant the Options as proposed as a reward in recognition of his significant efforts and contribution to the development of the Company.

LETTER FROM THE BOARD

Having considered all the above factors, the Directors (including independent non-executive Directors) are of the view that the conditional grant of 243,763,800 Options to Mr. An is fair and reasonable so far as the Independent Shareholders is concerned and is in the interests of the Company and its Shareholders as a whole.

Listing Rules Implications

Pursuant to Rule 17.03(4) of the Listing Rules and the Share Option Scheme, where the total number of Shares issued and to be issued upon exercise of the Options granted to a person (including exercised and outstanding Options) in any 12-month period exceed 1% of the relevant class of Shares in issue, such grant must be approved by shareholders in general meeting. The grantee and his associates must abstain from voting at the general meeting.

In addition, pursuant to Rule 17.04(1) of the Listing Rules and the Share Option Scheme, any grant of Options to a substantial shareholder of the Company would result in the Shares issued and to be issued upon exercise of all Options already granted and to be granted (including Options exercised, cancelled and outstanding) under the Share Option Scheme or any other schemes of the Company to such person in the 12-month period up to and including the date of such grant (i) representing in aggregate over 0.1% of the Shares of the Company in issue; and (ii) having an aggregate value, based on the closing price of the Shares of the Company at the date of each grant, in excess of HK\$5 million, such further grant of options must be approved by Shareholders in general meeting.

As at the Latest Practicable Date, Mr. An personally held 218,390,000 Shares, representing approximately 5.52% of the issued share capital of the Company, and was deemed to be interested in 2,548,203,980 Shares, representing approximately 64.4% of the issued share capital of the Company, by virtue of being a founder of a discretionary trust under the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong). The trustee of such discretionary trust is Julius Baer Family Office & Trust Ltd. which wholly owns Extreme Wise Investments Ltd. and Vand Petro-Chemicals (BVI) Company Ltd.. Extreme Wise Investments Ltd. held 209,773,980 Shares and Vand Petro-Chemicals (BVI) Company Ltd. held 2,338,430,000 Shares as at the Latest Practicable Date.

As (i) the total number of Shares issued and to be issued upon exercise of the Options proposed to be granted to Mr. An would in a 12-month period exceed 1% of the Shares of the Company in issue, and (ii) such grant would in a 12-month period represent over 0.1% of the Shares of the Company in issue, and has an aggregate value, based on the closing price of the Shares of the Company on 23 December 2020, in excess of HK\$5 million, the Proposed Grant is subject to the approval by the Independent Shareholders where Mr. An and his associates and all core connected persons of the Company shall abstain from voting in favour of such resolution at the EGM pursuant to the Listing Rules. The Proposed Grant shall not take effect or be exercisable until such approval is obtained and proper compliance with applicable laws and regulations.

On 23 December 2020, the grant of Options to Mr. An has been approved by the independent non-executive Directors of the Company, in accordance with Rule 17.04(1) of the Listing Rules.

LETTER FROM THE BOARD

REFRESHMENT OF SCHEME MANDATE LIMIT

The Share Option Scheme was approved and adopted by the Company on 28 December 2012. The purpose of the Share Option Scheme is, among other things, to attract, retain and motivate the Directors, the employees and senior management of the Group, to provide a means of compensating them through the grant of Options for their contribution to the benefit and success of the Group, and to allow them to participate in the growth and profitability of the Group. Apart from the Share Option Scheme, the Company has no other share option scheme currently in force.

Pursuant to Chapter 17 of the Listing Rules and the Share Option Scheme, the total number of securities which may be issued upon exercise of all options to be granted under a share option scheme and any other schemes of a listed issuer must not in aggregate exceed 10% of the relevant class of securities of the listed issuer in issue as at the date of approval of the scheme. The listed issuer may seek approval by its shareholders in general meeting for “refreshing” the 10% limit under the scheme. However, the total number of securities which may be issued upon exercise of all options to be granted under all of the schemes of the listed issuer under the limit as “refreshed” must not exceed 10% of the relevant class of securities in issue as at the date of approval of the refreshed limit. Options previously granted under the schemes (including those outstanding, cancelled, lapsed in accordance with the scheme or exercised options) will not be counted for the purpose of calculating the limit as “refreshed”. The Listing Rules also provide that the limit on the number of securities which may be issued upon exercise of all outstanding options granted and yet to be exercised under the scheme must not exceed 30% of the relevant class of securities of the listed issuer in issue from time to time.

No refreshment of the Scheme Mandate Limit has been previously sought by the Company under the Share Option Scheme.

As at 28 December 2012, the total number of issued Shares was 3,732,638,000 Shares. The total number of Shares which may fall to be issued upon exercise of all Options to be granted under the Share Option Scheme was 373,263,800 Shares, representing 10% of the then total number of issued Shares as at 28 December 2012.

On 30 August 2018, the Company had granted 127,500,000 Options carrying the rights to subscribe for an aggregate of 127,500,000 Shares, of which 3,000,000 Options had lapsed, 2,000,000 Options had been forfeited, 49,000,000 Options have been exercised by the relevant grantees on 30 October 2020 respectively, with remaining balance of 73,500,000 Options remain outstanding.

On 23 December 2020, the Company had granted 248,763,800 Options carrying the rights to subscribe for an aggregate of 248,763,800 Shares to the Grantees. Upon completion of the grant of the Options to and acceptance thereof by the Grantees, the Company had utilised 100% of the existing maximum number of Shares which may be allotted and issued upon exercise of all share options granted and to be granted under the Share Option Scheme.

LETTER FROM THE BOARD

The Directors therefore consider that the refreshment of the existing Scheme Mandate Limit is in the interest of the Company and the Shareholders as a whole as this will enable the Company to grant further share options to relevant participants to the Share Option Scheme, including Directors, employees and senior management of the Group.

Proposal

It is therefore proposed that subject to (i) the approval of the Shareholders at the EGM and (ii) the Stock Exchange granting the approval of the listing of, and permission to deal in, the new Shares to be allotted and issued upon exercise of any Options that may be granted under the refreshed Scheme Mandate Limit, the limit on the grant of Options under the Share Option Scheme will be refreshed to 10% of the Shares in issue as at the date of the approval by the Shareholders at the EGM, and the Options previously granted under the Share Option Scheme (including those outstanding, cancelled, lapsed in accordance with such scheme(s) or exercised share options) will not be counted for the purpose of calculating the Scheme Mandate Limit.

As at the Latest Practicable Date, there were 3,956,638,000 Shares in issue. Assuming that no further Shares will be issued prior to the EGM and the said refreshment is approved at the EGM, then the maximum number of Shares that can be allotted and issued upon the exercise of Options which may be granted by the Company pursuant to the Share Option Scheme under the refreshed Scheme Mandate Limit would be 395,663,800, being 10% of the total number of issued Shares as at the date of passing the resolution approving the said refreshment at the EGM.

As at the Latest Practicable Date, the total number of Shares which might be issued upon exercise of all outstanding Options granted and yet to be exercised (taking no account of the Proposed Grant) was 78,500,000 Shares, representing approximately 1.98% of the issued share capital of the Company as at the Latest Practicable Date. Assuming that the Proposed Grant is approved by the Independent Shareholders at the EGM and that no Options granted under the Share Option Scheme are exercised from the Latest Practicable Date to the date of the EGM, immediately after the EGM, the Company will have 322,263,800 Options outstanding carrying the rights to subscribe for 322,263,800 Shares, representing approximately 8.14% of the issued share capital of the Company as at the Latest Practicable Date.

Accordingly, the grant of the Options to the Grantees will not exceed the overall limit of 30% of the Shares in issue from time to time as required under the Listing Rules.

Conditions

As required by the Share Option Scheme and the Listing Rules, an ordinary resolution will be proposed at the EGM to approve the refreshment of the Scheme Mandate Limit. The refreshment of the Scheme Mandate Limit is conditional upon:

- (i) the passing of an ordinary resolution at the EGM to approve the said refreshment; and

LETTER FROM THE BOARD

- (ii) the Stock Exchange granting the approval of the listing of, and permission to deal in, the new Shares to be allotted and issued upon exercise of any Options that may be granted under the refreshed Scheme Mandate Limit up to 10% of the issued Shares as at the date of passing the relevant ordinary resolution at the EGM.

Application for Listing

Application will be made to the Listing Committee of the Stock Exchange for granting the listing of, and permission to deal in the new Shares which may fall to be allotted and issued upon exercise of any Options that may be granted under the refreshed Scheme Mandate Limit.

CLOSURE OF REGISTER OF MEMBERS

The forthcoming EGM is scheduled to be held on Monday, 25 January 2021. For determining the entitlement to attend and vote at the EGM, the register of members of the Company will be closed from Wednesday, 20 January 2021 to Monday, 25 January 2021, both days inclusive, during which period no transfer of shares of the Company will be registered. EXTRAORDINARY GENERAL MEETING AND PROXY ARRANGEMENT

Notice of the EGM is set out on pages 13 to 14 of this circular. At the EGM, resolutions will be proposed to approve the Proposed Grant and the refreshment of Scheme Mandate Limit.

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of Shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Accordingly, all resolutions set out in the notice convening the EGM will be voted by way of a poll. An announcement on the results of the poll will be published by the Company after the EGM in the manner prescribed under Rule 13.39(5) of the Listing Rules.

A form of proxy for use at the EGM is enclosed with this circular and such form of proxy is also published on the websites of Hong Kong Exchanges and Clearing Limited (www.hkexnews.hk) and of the Company (www.hansenergy.com). To be valid, the form of proxy must be completed and signed in accordance with the instructions stated thereon and return it to the Company's Share Registrars in Hong Kong, Tricor Secretaries Limited, at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong not less than 48 hours before the time appointed for the holding of the EGM or the adjourned meeting. Completion and return of the form of proxy will not preclude you from attending and

LETTER FROM THE BOARD

voting in person at the EGM and at any adjournment thereof if you so wish. In such event, the form of proxy shall be deemed to be revoked.

RECOMMENDATION

The Directors consider that the (i) the Proposed Grant and (ii) the refreshment of Scheme Mandate Limit are fair and reasonable and are in the best interests of the Company and the Shareholders as a whole. The Directors therefore recommend the Independent Shareholders and the Shareholders (where applicable) to vote in favour of the relevant resolutions as set out in the notice of the EGM.
