The Nomination Committee of the Company has made a recommendation to the Board that Mr. CHENG Wu and Mr. CHU Yuguo will retire at the AGM and, being eligible, offer themselves for re-election pursuant to Article 87(1) of the Articles.

(2) GENERAL MANDATE TO ISSUE SHARES

It will be proposed at the AGM the ordinary resolutions nos. 4(A) and 4(C) in the AGM Notice for granting to the Directors a general mandate to allot, issue and deal with new Shares of the Company not exceeding 20% of the number of the issued Shares of the Company as at the date of passing of the ordinary resolution no. 4(A) in the AGM Notice and adding to such general mandate so granted to the Directors any Shares of the Company representing the number of Shares of the Company repurchased by the Company after the granting of the general mandate to repurchase Shares of the Company up to 10% of the number of the issued Shares of the Company as at the date of passing of the ordinary resolution no. 4(B) in the AGM Notice. Such general mandate to allot, issue and deal with new Shares of the Company shall be exercisable during the period from the passing of the ordinary resolutions nos. 4(A) and 4(C) in the AGM Notice until whichever is the earliest of:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or the applicable laws of the Cayman Islands to be held; or
- (iii) the date on which the authority set out in such ordinary resolutions is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

As at the Latest Practicable Date, the number of Shares of the Company was 13,498,106,577 Shares. Subject to passing of the ordinary resolution no. 4(A) in the AGM Notice and on the basis that no further Shares will be issued or repurchased prior to the AGM, the Company will be allowed to allot, issue and deal with a maximum of 2,699,621,315 Shares representing not more than 20% of the number of the issued Shares of the Company as at the Latest Practicable Date.

(3) GENERAL MANDATE TO REPURCHASE SHARES

It will also be proposed at the AGM the ordinary resolution no. 4(B) in the AGM Notice for granting of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares of the Company up to 10% of the number of the issued Shares of the Company as at the date of passing of the ordinary resolution no. 4(B) in the AGM Notice.

The following is an explanatory statement as required to be sent to the Shareholders under the Share Repurchase rules to provide requisite information to the Shareholders for consideration of the ordinary resolution no. 4(B) in the AGM Notice in respect of the Repurchase Mandate.

TOTAL NUMBER OF THE SHARES FOR SHARES REPURCHASE

As at the Latest Practicable Date, the number of the issued Shares of the Company was 13,498,106,577 Shares. Subject to the passing of the ordinary resolution no. 4(B) in the AGM Notice and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of

LETTER FROM THE BOARD

1,349,810,657 Shares, representing not more than 10% of the number of the issued Shares of the Company, during the period from the passing of the ordinary resolution no. 4(B) in the AGM Notice until whichever is the earliest of:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or the applicable laws of the Cayman Islands to be held; or
- (iii) the date on which the authority set out in such ordinary resolution is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

Reasons for Shares Repurchase

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders as a whole. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might consider appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and the Shareholders as a whole as such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share. Shareholders can be assured that the Directors would only make such repurchases in circumstances where they consider them to be in the best interests of the Company and the Shareholders as a whole.

Funding of Repurchases

Repurchases must be made out of funds which are legally available for such purpose in accordance with the Memorandum and Articles of Association of the Company, the Listing Rules and the applicable laws of the Cayman Islands and Hong Kong. It is envisaged that the funds required for any repurchases would be derived from the distributable profits of the Company.

The Directors consider that there might be a material adverse impact on the working capital or gearing level of the Company (as compared with the position disclosed in the audited accounts of the Company as contained in its annual report for the year ended 31 December 2020) in the event that the Repurchase Mandate were to be exercised in full at any time during the proposed repurchased period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital or the gearing level which in the opinion of the Directors are from time to time appropriate for the Company.

(4) VOTING BY WAY OF POLL
