This Appendix contains the particulars that are required by the Listing Rules to be included in an explanatory statement to enable the Shareholders to make an informed view on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the Proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,600,000,000 Shares of nominal value of HK\$0.01 each. Subject to the passing of the ordinary resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to repurchase a maximum of 160,000,000 Shares, which represent 10% of the issued Share as at the date of passing the relevant ordinary resolutions, during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by law or the Articles of Association or the date upon which such authority is revoked or varied by an ordinary resolution of the Shareholders in general meeting of the Company, whichever of these three events occurs first.

SOURCE OF FUNDS

Repurchases must be paid out of funds legally available for the purpose in accordance with the Articles of Association and the Cayman Companies Act. A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Cayman Islands laws, any repurchases by the Company may be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase or, if so authorised by the Articles of Association and subject to the provisions of the Cayman Companies Act, out of capital.

Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles of Association and subject to the provisions of the Cayman Companies Act, out of capital.

REASONS FOR REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders.

IMPACT OF REPURCHASES

On the basis of the current financial position of the Group as disclosed in the audited consolidated financial statements of the Company as at 31 December 2020, being the date to which the latest published audited consolidated financial statements of the Company were made up, the Directors consider that, if the Proposed Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Group as compared with the position disclosed in the audited consolidated financial statements of the Company as at 31 December 2020. However, the Directors do not propose to exercise the Proposed Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Group.

GENERAL

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) currently intends to sell any Shares to the Company or its subsidiaries in the event that the Proposed Repurchase Mandate is approved by the Shareholders.

If, as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of such Shareholders' interest, could obtain or consolidate control of the Company and may become obliged under Rule 26 of the Takeovers Code to make a mandatory offer unless a whitewash waiver is obtained.

As at the Latest Practicable Date, according to the register kept by the Company pursuant to Section 336 of the SFO, Spring Snow held and controlled 856,000,000 Shares, representing approximately 53.5% of the entire issued share capital of the Company. If the Proposed Repurchase Mandate is exercised in full, the controlling interests of Spring Snow in the Company will increase to approximately 59.4%. Save as aforesaid and based on the information available to the Directors as at the Latest Practicable Date, the Directors are not aware of any consequences or implications which would arise to an obligation to make a mandatory offer under the Takeovers Code as a result of exercising the power to repurchase Shares pursuant to the Proposed Repurchase Mandate. The Directors have no present intention of exercising the Proposed Repurchase Mandate.

The Directors are also aware that the Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the number of Shares in issue would be in the hands of the public. The Directors have no present intention to exercise the Proposed Repurchase Mandate to such an extent that would result in the Company failing to comply with the public float requirements under Rule 8.08 of the Listing Rules.

No core connected person (as defined in the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so if the Proposed Repurchase Mandate is exercised.
