However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, the following Shareholder are interested in more than 10% of the Shares then in issue:

However, as at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in a requirement of any Shareholders, or any other persons to make a general offer under the Takeovers Code or the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.
