Pursuant to the written resolutions passed by all Shareholders on January 15, 2021, a general mandate was granted to the Directors to repurchase Shares. Such mandate will lapse at the conclusion of the Annual General Meeting.

In order to give the Company the flexibility to repurchase Shares if and when appropriate, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of a general mandate to the Directors to exercise all powers of the Company to repurchase Shares not exceeding 10% of the total number of issued Shares as at the date of passing of the relevant resolution, amounting to 240,075,046 Shares, assuming that the issued share capital of the Company remains unchanged as at the date of Annual General Meeting.

The Repurchase Mandate will remain in effect until the earliest of: (i) the conclusion of the next annual general meeting of the Company unless otherwise renewed by an ordinary resolution of the Shareholders in a general meeting, either unconditionally or subject to conditions; or (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held pursuant to the applicable laws or the Articles of Association; or (iii) the date on which such an authority is varied or revoked by an ordinary resolution of the Shareholders passed in a general meeting of the Company.

With reference to the Repurchase Mandate, the Directors wish to state that they have no immediate plan to repurchase any Shares pursuant thereto.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed Repurchase Mandate is set out in Appendix II to this circular. This explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolution proposed at the Annual General Meeting.

PROPOSED GRANTING OF GENERAL MANDATE TO ISSUE NEW SHARES

Pursuant to the written resolutions passed by all Shareholders on January 15, 2021, a general mandate was granted to the Directors to issue Shares. Such mandate will lapse at the conclusion of the Annual General Meeting.

In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue any new Shares, an ordinary resolution will be proposed at the Annual General Meeting to approve the granting of a general mandate to the Directors to exercise all powers of the Company to allot, issue and deal with additional Shares not exceeding 20% of the total number of the issued Shares as at the date of passing of the relevant resolution, amounting to 480,150,093f Shares, assuming that the issued share capital of the Company remains unchanged as at the date of Annual General Meeting.

In addition, an ordinary resolution to extend the Issue Mandate by adding the number of Shares repurchased by the Company pursuant to the Repurchase Mandate will also be proposed at the Annual General Meeting.

The Issue Mandate will remain in effect until the earliest of: (i) the conclusion of the next annual general meeting of the Company unless, by ordinary resolution passed at that meeting, the Issue Mandate is renewed, either unconditionally or subject to conditions; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held pursuant to the applicable laws the Cayman Islands or the Articles of Association; or (iii) the date on which it is varied or revoked by an ordinary resolution of the Shareholders passed in a general meeting of the Company.

As at the Latest Practicable Date, the Directors were not aware of any material adverse change in the financial or trading positions of the Company since December 31, 2020, being the date to which the latest published audited financial statement of the Company have been made up.

INTERESTS OF DIRECTORS

Save as disclosed in the section headed “Relationship with our Controlling Shareholders” of the Prospectus, the Directors are not aware of any Director or his respective associates having, as of the Latest Practicable Date, any interest in any business which competes or is likely to compete, either directly or indirectly, with the business of the Group which would be required to be disclosed under the Listing Rules.

GENERAL

The Company’s share registrar in Hong Kong is Computershare Hong Kong Investor Services Limited, at Shops 1712–1716, 17th Floor, Hopewell Centre, 183 Queen’s Road East, Wanchai, Hong Kong.

The English text of this circular and the accompanying form of proxy shall prevail over the Chinese text in the case of any inconsistency.

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the Annual General Meeting in relation to the granting of the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,400,750,466 Shares.

Subject to the passing of the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, i.e. being 2,400,750,466 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, a total of 240,075,046 Shares which represent 10% of the total number of Shares in issue as at the date of the Annual General Meeting.

2. REASONS FOR SHARE REPURCHASE

The Directors believe that it is in the best interests of the Company and Shareholders for the Directors to have general authority from the Shareholders to enable the Directors to repurchase the Shares in the market. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such repurchase will benefit the Company and Shareholders.

3. FUNDING OF SHARE REPURCHASE

Shares repurchase must be funded legally available for such purpose in accordance with the Articles of Association of the Company and the applicable laws of the Cayman Islands, being profits of the Company or out of the proceeds of a new issue of the Shares made for the purpose of the repurchase, or, if authorised by the Articles of Association and subject to the Companies Law, out of capital of the Company, and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company before or at the time the Shares are bought back in the manner provided for in the Cayman Companies Law.

4. IMPACT OF SHARE REPURCHASE

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements for the year ended 31 December 2020 contained in the 2020 annual report of the Company) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

5. EFFECT OF TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. Accordingly, if a Shareholder, or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company, it will become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

To the best knowledge of the Company, the Directors are not aware of any consequences which would arise under the Takeover Code as a result of an exercise of the proposed Repurchase Mandate.

The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code and/or result in the aggregate number of Shares held by the public shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

6. GENERAL

None of the Directors or, to the best of their knowledge, having made all reasonable enquiries, any of their respective close associates currently intends to sell any Shares to the Company, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise their power to repurchase any Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and applicable laws of the Cayman Islands.
