HUAZHANG TECHNOLOGY HOLDING LIMITED
Zhu Gen Rong
Chairman

This appendix serves as an explanatory statement, as required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules, to provide you with the requisite information for your consideration of the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

On the basis that 886,741,378 Shares are in issue as at the Latest Practicable Date and no further Shares are issued or repurchased prior to the AGM, exercise in full of the Repurchase Mandate could result in up to 88,674,137 Shares being repurchased by the Company during the period from the passing of resolution numbered 5 set out in the AGM Notice up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws of the Cayman Islands to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting revoking, varying and renewing the Repurchase Mandate, whichever occurs first.

2. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per share.

3. FUNDING AND EFFECT OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the Companies Law and other applicable laws of the Cayman Islands. A listed company may not repurchase its own securities on Main Board for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 30 June 2021, being the date of its latest published audited financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

4. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Articles and the applicable laws of the Cayman Islands.

5. INTENTION TO SELL SHARES

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective close associates, have any present intention, in the event that the proposal on the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company or its subsidiaries.

6. TAKEOVER CODE CONSEQUENCE

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code.

As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, according to the register of members kept by the Company pursuant to section 336 of the SFO and so far as was known to, or could be ascertained after reasonable enquiry by, the Directors, the following persons were directly or indirectly interested in 10% or more of the nominal value of the issued ordinary shares that carry a right to vote in all circumstances at general meetings of the Company:

Name	Number of Issued Shares held/interested	Approximate Percentage of Shareholding
Florescent Holdings Limited, Mr. Zhu Gen Rong, Wang Ai Yan and Liu Chuan Jiang and the person acting in concert	297,834,000	33.59%
Mr. Fang Hui	161,286,153	18.19%
Mr. Shi Chenghu	89,452,000	10.08%

Florescent Holdings Limited is a controlled corporation of Mr. Zhu Gen Rong, the Chairman of the Company.

If the Repurchase Mandate was exercised in full, the percentage shareholding of Florescent Holdings Limited, Mr. Zhu Gen Rong, Wang Ai Yan and Liu Chuan Jiang and the person acting in concert with them together would be increased to approximately 37.32% of the issued share capital of the Company. The aforesaid interests of Mr. Fang and Mr. Shi in the issued Shares of the Company would be proportionally increased to approximately 20.21% and 11.21% respectively.

On the basis of the shareholding interests of Florescent Holdings Limited, Mr. Zhu Gen Rong, Wang Ai Yan and Liu Chuan Jiang and the person acting in concert with them together in the Company, an exercise of the Repurchase Mandate in full would result in it becoming obliged to make a mandatory offer under Rule 26 of the Takeovers Code subject to the granting of waiver by the executive director of the corporate finance division of the Securities and Futures Commission and any delegate of the executive director pursuant to the Takeovers Code. Save as disclosed above, the Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any purchases made pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that would give rise to an obligation to make a mandatory offer under the Takeovers Code or result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

7. SHARE PURCHASED BY THE COMPANY

The Company has not purchased any of its Shares (whether on Main Board or otherwise) in the previous six months.

8. CONNECTED PERSON

No core connected person has notified the Company that he/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

9. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on Main Board during each of the previous twelve months were as follows:
