LETTER FROM THE BOARD

PROPOSED GENERAL MANDATE TO ISSUE SHARES

At the last annual general meeting of the Company held on 11 June 2021, a special resolution was passed whereby a general mandate was granted to the Directors to allot and issue new shares and disposal of outstanding Shares individually and collectively up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of the passing of such resolution.

Such mandate will lapse at the conclusion of the forthcoming AGM. In order to increase the flexibility and efficiency in operation of the Company, and to give discretion to the Board in the event that it becomes desirable to issue any shares, the Board proposes a special resolution to grant to the Directors a general mandate to allot, issue and otherwise deal with H Shares up to a maximum of 20% of the total nominal value of H Shares in issue as at the date of passing of the resolution as set out in Resolution 7 of AGM Notice.

As at the Latest Practicable Date, the Company had in issue an aggregate of 560,634,053 Shares, comprising 209,892,000 H Shares and 350,742,053 Domestic Shares. On the basis that no further Shares will be issued by the Company during the period from the Latest Practicable Date to the date of the AGM, subject to the passing of Resolution 7 of the AGM Notice for the approval of the general mandate, the Company will be allowed to allot, issue and deal with up to a maximum of 41,978,400 H Shares, representing 20% of H Shares in issue on the date of the passing of the proposed resolution.

With reference to the proposed general mandate, the Directors, as at the date hereof, wish to state that they have no immediate plans to issue any new H Shares pursuant to the general mandate.

PROPOSED GENERAL MANDATE TO REPURCHASE H SHARES

Repurchase Mandate

The Company Law, the Mandatory Provisions and the Articles of Association provide for certain restrictions on share repurchase which are applicable to all classes of shares of the Company.

A special resolution was passed at the annual general meeting and class meetings of the Company held on 11 June 2021 whereby a general mandate was granted to the Board to repurchase H Shares of the Company up to a maximum of 10% of the aggregate nominal value of H Shares in issue as at the date of the passing of the special resolution, such mandate will lapse at the conclusion of the forthcoming AGM of the Company. In order to increase the flexibility and efficiency in operation of the Company, the Board proposes a special resolution to grant to the Directors a general mandate to repurchase H Shares of the Company up to a maximum of 10% of the aggregate nominal value of H Shares in issue as at the date of the passing of the proposed resolution.

The Company Law (to which the Company is subject) provides that a joint stock limited company incorporated in the PRC may repurchase its shares in the following circumstances: (a) to reduce its registered capital; (b) to merge with another company which holds its shares; (c) to utilize the shares for employee share ownership plan or as share incentive plan; (d) where the shareholders disagree to the resolutions on the merger or demerger of company made in the general meeting and request the Company to repurchase their shares; (e) to convert the shares as convertible corporate bonds issued by the listed company; (f) where it is necessary for the company to maintain its corporate value and shareholders' rights; or (g) Other circumstances approved by laws,

LETTER FROM THE BOARD

administrative regulations and relevant state authorities. The Mandatory Provisions, which the Company has incorporated in the Articles of Association, provide that subject to obtaining the approval of the relevant PRC regulatory authorities and in compliance with the Articles of Association, the Company may repurchase its issued Shares for the purpose of reducing its share capital or in connection with a merger with another company which holds its Shares or in other circumstances permitted by laws or administrative regulations.

The Listing Rules permit the shareholders of a PRC joint stock limited company to grant a general mandate to its directors to repurchase shares of such company that is listed on the Stock Exchange. Such mandate is required to be given by way of a special resolution passed by its shareholders in general meeting and special resolutions passed by holders of domestic shares and holders of overseas listed foreign shares at separate meetings.

H Shares are traded on the Stock Exchange in Hong Kong dollars. Therefore, the repurchase of H Shares by the Company is subject to the approval of the SAFE (or its successor authority), and the price payable by the Company upon any repurchase of H Shares will be paid in Hong Kong dollars.

In accordance with the requirements of the Articles of Association applicable to capital reduction, the Company will have to notify its creditors of the passing of the resolution for the reduction of the registered capital of the Company. In addition, the Company Law provides that the shares repurchased by a company will have to be cancelled and the registered capital of that company will therefore be reduced by an amount equivalent to the aggregate nominal value of the shares so cancelled. In the event of a reduction of registered capital, the Company shall inform its creditors by way of written notice and announcement within a prescribed period after the passing of the relevant resolutions approving such reduction. The creditors shall be entitled to request the Company for repayment of loan or provision of guarantee.

Conditions to repurchase H Shares

In order to ensure flexibility and discretion to the Directors in the event that it becomes desirable to repurchase any H Shares (including where such repurchase may lead to an enhancement of the net asset value per Share and/or the earnings per Share), approval is proposed to be sought from the Shareholders for the grant of the Repurchase Mandate to the Directors. In accordance with the legal and regulatory requirements described above, the Directors give notices to convene the AGM and the Class Meetings. At each such meeting, a special resolution will be proposed to grant to the Directors the Repurchase Mandate which is a conditional general mandate to repurchase H Shares in issue on the Stock Exchange with an aggregate nominal value not exceeding 10% of the aggregate nominal value of H Shares in issue of the Company as at the date of passing of such special resolution.

The Repurchase Mandate will be conditional upon (a) the special resolution for approving the grant of the Repurchase Mandate being passed at each of the AGM and the Class Meetings; and (b) the approvals of SAFE (or its successor authority) and/or any other regulatory authorities as may be required by the laws, rules and regulations of the PRC being obtained by the Company if appropriate. If the above conditions are not fulfilled, the Repurchase Mandate will not be exercisable by the Directors.

The Repurchase Mandate would expire on the earliest of (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of a period of twelve months following the passing of the relevant resolution at the AGM and the Class Meetings; or (c) the date on which the authority conferred by the special resolution is

LETTER FROM THE BOARD

revoked or varied by a special resolution of the Shareholders in a general meeting or by a special resolution of holders of H Shares or holders of Domestic Shares at their respective Class Meetings.

The H Shares which may be repurchased by the Company pursuant to the Repurchase Mandate shall not exceed 10% of the aggregate nominal value of H Shares in issue of the Company as at the date of passing of the resolution approving the Repurchase Mandate at the AGM and the Class Meetings.

An explanatory statement giving certain information regarding the Repurchase Mandate is set out in the Appendix I to this circular.

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the requisite information to enable you to make an informed decision on whether to vote for or against the special resolution to approve the grant of the Repurchase Mandate to the Directors.

LISTING RULES RELATING TO THE REPURCHASE OF SECURITIES

The Listing Rules permit companies whose primary listing is on the Stock Exchange to repurchase their securities on the Stock Exchange subject to certain restrictions, the most important of which are summarised below. The Company is empowered by the Articles of Association to repurchase its own securities.

REGISTERED CAPITAL

As at the Latest Practicable Date, the registered capital of the Company was RMB560,634,053 comprising 350,742,053 Domestic Shares and 209,892,000 H Shares. Subject to the passing of the proposed resolution for the grant of the Repurchase Mandate and on the basis that no H Shares will be allotted and issued or repurchased by the Company on or prior to the date of the AGM and the Class Meetings, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 20,989,200 H Shares, being the maximum of 10% of the total H Shares in issue as at the date of passing the relevant resolution.

REASONS FOR THE REPURCHASE

The Directors believe that the Repurchase Mandate is in the interests of the Company and the Shareholders. An exercise of the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders.

FUNDING OF REPURCHASES

In repurchasing the H Shares, the Company may only apply funds from the Company's internal resources legally available for such purpose in accordance with the Articles of Association, the Listing Rules and the applicable laws, rules and regulations of the PRC, including but not limited to surplus funds and undistributed profits of the Company.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with its position as at 31 December 2021 as disclosed in the Company's latest published audited accounts contained in the annual report for the year ended 31 December 2021. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company. The number of H Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time having regarded to the circumstances then prevailing, in the best interests of the Company.

STATUS OF REPURCHASED H SHARES

The Listing Rules provide that the listing of all the H Shares repurchased by the Company shall automatically be cancelled and the relevant share certificates shall be cancelled and destroyed. Under the PRC laws, the H Shares repurchased by the Company will be cancelled and the Company's registered capital will be reduced by an amount equivalent to the aggregate nominal value of the H Shares so cancelled.

As a result, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

Moreover, the Directors will not make share repurchase on the Stock Exchange if such repurchase would result in the requirements under Rule 8.08 of the Listing Rules not being complied with.
