Notes:

1. The exercise price and number of share option were adjusted due to the 2-for-1 share consolidation becoming effective on 24 August 2012.
2. Mr. ZHANG Changsheng had resigned as executive Director with effect from 5 February 2016.
3. Professor WEI Xin had been vacated from his position as independent non-executive Director on 7 October 2015.

The Company had granted a total of 96,500,000 share options (after adjustment) to the eligible participants under the Existing Share Option Scheme, and there were no options which were granted under the Existing Share Option Scheme that remained outstanding as at the Latest Practicable Date. Amongst the share options granted, the Company had granted a total of 49,000,000 share options (after adjustment) to five Directors and two employees of the Group in recognition of the efforts and contributions made by them in relation to the operations and management of the Group and in carrying out their job duties during the course of their directorship or employment with the Group. The Company had also granted a total of 47,500,000 share options (after adjustment) to the nominee companies of four individual consultants of the Group, each of whom had worked closely with the relevant members of the Group and played a significant role in providing advisory or consultancy services to Company by offering their special skills or technical knowledge in areas that the Company lacked expertise, thereby contributing to the growth and development of the business of the Group. The Company considered that by granting share options

LETTER FROM THE BOARD

to these consultants and thereby providing them with the opportunity to become shareholders of the Company, they will be more committed to the success of the Group as their compensation will hinge on the Company's performance and thus could provide more incentives to them to maximise the quality of their service offerings to the Group. This is in line with the purpose of the Existing Share Option Scheme to provide incentives or rewards for their contributions to the Group to eligible persons, and thereby promote the success of the business of the Group.

The Board proposes to recommend to the Shareholders to approve the New Share Option Scheme so that Options may be granted to the Eligible Participants pursuant to the terms thereof. A summary of the principal terms of the New Share Option Scheme is set out in Appendix I to this circular.

The effectiveness of the New Share Option Scheme is conditional upon:

- i. the passing of an ordinary resolution to approve the adoption of the New Share Option Scheme by the Shareholders at the EGM; and
- ii. the Listing Committee of the Stock Exchange granting approval for the listing of and permission to deal in such number of Shares to be allotted and issued by the Company pursuant to the exercise of Options which may be granted under the New Share Option Scheme.

No Director is a trustee of the New Share Option Scheme or has a direct or indirect interest in the trustee of the New Share Option Scheme, if any.

As at the Latest Practicable Date, there were an aggregate of 13,498,106,577 Shares in issue. Assuming no Shares will be issued or repurchased from the Latest Practicable Date to the date of the EGM on which the New Share Option Scheme is expected to be conditionally approved and adopted by the Shareholders, the maximum number of Shares that can be issued upon exercise of the Options that may be granted under the New Share Option Scheme and any other scheme(s) is 1,349,810,657, representing 10% of the Shares in issue.

The Directors consider that it is not appropriate to state the value of all the Options that can be granted under the New Share Option Scheme as if they had been granted as at the Latest Practicable Date prior to the approval of the New Share Option Scheme given that the variables which are critical for the calculation of the value of such Options cannot be determined. These variables include but are not limited to, the Exercise Price, whether or not Options will be granted under the New Share Option Scheme and the timing of the granting of such Options, the period during which the subscription rights may be exercised, the discretion of the Board to impose any performance target that has to be achieved before the subscription rights attaching to the Options can be exercised and any other conditions that the Board may impose with respect to the Options and whether or not such Options, if granted, will be exercised. The Exercise Price depends on the price of the Shares as quoted on the Stock Exchange, which in turn depends on when the Board is to grant Options under the New Share Option Scheme. With a scheme life of ten years, the Board is of the view that it is too premature to state whether or not Options will be granted under the New

LETTER FROM THE BOARD

Share Option Scheme and, if so, the number of Options that may be granted. It is also difficult to ascertain with accuracy the Exercise Price given the volatility to which the price of Shares may be subject to during the ten-year life span of the New Share Option Scheme.

The Directors are of the view that the value of the Options depends on a number of variables which are either difficult to ascertain or can only be ascertained subject to a number of theoretical bases and speculative assumptions. Accordingly, the Directors believe that any calculation of the value of the Options will not be meaningful and may be misleading to Shareholders in the circumstances.

Application for Listing

An application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares which may fall to be allotted and issued pursuant to the exercise of any Options that may be granted under the New Share Option Scheme.

Reasons for Adopting the New Share Option Scheme

As the Existing Share Option Scheme will expire on 3 June 2022, the Directors consider that it is appropriate to adopt the New Share Option Scheme. The Directors consider that the New Share Option Scheme, which will be valid for ten years from the date of its adoption, will provide the Company with more flexibility in long term planning of granting of Options to the Eligible Participants in a longer period in the future. The New Share Option Scheme also provides appropriate incentives or rewards to the Eligible Participants for their contributions or potential contributions to the Group. The purpose of the New Share Option Scheme is to attract and retain the best available personnel, to provide additional incentive to employees, officers, chief executives, directors and shareholders of the Group or of any associated company and to promote the success of the business of the Group.

Whilst the scope of the Eligible Participants is not limited to the employees or officers of the Group or of any associated company but also includes (i) chief executives and directors of any member of the Group or of any associated company; and (ii) any shareholders of any member of the Group or of any associated company, the Directors consider that the aforesaid categories (i) and (ii) of Eligible Participants would make contributions to the Group as follows:

- (i) ***Chief executives and directors of any member of the Group or of any associated company***

The Group's businesses of online prescription, circulation and marketing of pharmaceutical products and internet healthcare management platform are carried out under VIE contractual arrangements by operating companies in mainland China, and the directors and chief executives of such operating companies are primarily responsible for the operations of the aforesaid businesses.

LETTER FROM THE BOARD

The Group makes investment in investee companies in the field of entertainment and media business which are associated companies of the Group. The Group does not actively take part in the management of those associated companies, which are handled by their respective chief executive and directors. Whether such investments by the Group can become fruitful depends on, among other thing, how well these associated companies are managed.

(ii) *Shareholders of any member of the Group or of any associated company*

The Company's significant shareholders include Tencent Holdings Limited, a famous major provider of online value-added services and platform and online advertising services. Huayi Brothers Media Corporation, a prominent group in the entertainment and media field, also holds a 5% shareholding in the Company. The Company entered into a cooperation framework agreement with Huayi Brothers International Limited (a subsidiary of Huayi Brothers Media Corporation) for cooperation on entertainment and media investment projects and for provision of distribution services to the Group's entertainment and media projects for a term of over 36 months. Such cooperation arrangement opened up vast development potentials for the Group's entertainment and media business in Mainland China. Since Tencent Holdings Limited became a substantial shareholder of the Company in 2016, the Group has been exploring collaboration with Tencent Holdings Limited from time to time in relation to online platform and business services, which may bring business opportunities to the Group. Tencent Holdings Limited also has a representative on the Board, and pays close attention to and offers recommendations from time to time on the business operations of the Group, demonstrating its keen interest in the development of the Group. The business cooperation with these shareholders which are well known players in their respective realms of business are valuable and beneficial to the business development of the Group.

The shareholders of non-wholly owned subsidiaries of the Group engaged in online prescription, circulation and marketing of pharmaceutical products and internet healthcare management platform are also the business operators under the relevant VIE contractual arrangements. The Group's formation of joint venture in respect of Pingtan Xinban Clinic Company Limited with Mr. Wang Jian, Ms. Shang Jing and Mr. Lin Jincong, being the founding shareholders of the "Echartnow" platform for online drug prescription and circulation service and digitized marketing service who have become shareholders of subsidiaries of the Group, put the Group on the route of developing online pharmaceutical products circulation and marketing. Ms. Dong Yu, a substantial shareholder of Meerkat Health Holdings Limited (non-wholly owned subsidiary of the Group), is in charge of the business operations of Hangzhou Mengge Health Technology Co., Ltd. engaged in e-commerce on pharmaceutical products, online healthcare consultation and management services and smart medical services. The Group benefits from the contributions of Ms. Dong Yu in terms of her extensive experiences and networks in the realms of online pharmaceutical and medical care services. The exclusive business cooperation agreements entered into by the Group with the PRC operating company controlled by the founding shareholders of Pingtan Xinban Clinic

LETTER FROM THE BOARD

Company Limited and with the PRC operating company controlled by Ms. Dong Yu are for a term of 10 years and renewable for another 10 years, and are thus intended for long term collaboration by the Group with such parties.

As for investee companies in the entertainment and media business of the Group which are associated companies of the Group, their shareholders are business partners which collaborate with the Group in relation to those investments of the Group. For instance, the Company acquired shareholding interest in HB Entertainment Co., Ltd. in 2016 and currently holds an approximately 31% stake in such company incorporated in the Republic of Korea, which is an associated company of the Group principally engaged in the production of and investments in prime films and television dramas and the management of artists in South Korea. In light of the soaring demand for Korean films and television dramas across the world, since the Company acquired interest in HB Entertainment Co., Ltd. in 2016 and in the following years up to present, the collaborations with its shareholders has allowed the Group to tap into the global entertainment and media market.

The Eligible Participants under the above categories (i) and (ii) will be persons that the Group has business relationships with on a continuing and recurring basis in its ordinary and usual course of business which are material and beneficial to the long-term growth of the businesses of the Group. In assessing whether Options are to be granted to any Eligible Participant, the Board will take into account a wide range of factors, including but not limited to, the nature and extent of contributions provided by such Eligible Participant to the Group, the positive impacts which such Eligible Participant has brought to the Group's business and development and whether granting Options to such Eligible Participant is an appropriate incentive to motivate such Eligible Participant to continue to contribute towards the betterment of the Group.

The categories of Eligible Participants also include independent non-executive Directors for the sake of maintaining flexibility of the New Share Option Scheme in rewarding potential grantees with Options. The Company will carefully assess any possible impact on the decision making, objectivity and independence of its independent non-executive Directors by the grant of Options to any of them before deciding to make the grant. As at the Latest Practicable Date, the Company had no plan or intention to grant Options to the independent non-executive Directors.

As the purpose of the New Share Option Scheme is to provide incentives or rewards for contributions to the Group, the Directors consider that the inclusion of the above categories of persons as Eligible Participants will serve such purpose by providing incentive to motivate relevant personnel or entities to continue contributing to the growth and development of the Group.

The New Share Option Scheme also expressly provides that, the Board may, with respect to each grant of Options, determine the Exercise Price (being not less than the minimum price specified in the Listing Rules), the conditions precedent and any performance targets that apply to the Options. The Directors believe that this will provide the Board with flexibility in determining the applicable performance targets and any other conditions to which the specific grant of Options may be subject on a case-by-case basis, and thus will place the Group in a better position to attract human resources that are valuable to the long term growth and development of the Group.

The full text of the proposed Amended and Restated Articles of Association (marked-up against the existing Articles of Association) is set out in Appendix II to this circular. The Chinese translation of the proposed Amended and Restated Articles of Association is for reference only. 1. PURPOSE, DURATION AND ADMINISTRATION

- (a) The purpose of the New Share Option Scheme is to enable the Company to grant Options to the Eligible Participants as incentives or rewards for their contribution to the Group.
- (b) The Eligible Participants shall include:
 - (i) any part-time or full-time employee or officer of any member of the Group or of any associated company; or
 - (ii) the chief executive or any director (including executive, non-executive or independent non-executive directors) of any member of the Group or of any associated company; or
 - (iii) any shareholder of any member of the Group or of any associated company who, in the opinion of the Board, has made or will make contributions which are or may be beneficial to the Group as a whole, to be determined absolutely by the Board.
- (c) The New Share Option Scheme shall be subject to the administration of the Directors whose decision on all matters arising in relation to the New Share Option Scheme or their interpretation or effect shall (save for the grant of Options referred to in paragraph 3(b) which shall be approved in the manner referred to therein and save as otherwise provided herein) be final and binding on all persons who may be affected thereby.
- (d) Subject to paragraph 13, the New Share Option Scheme shall be valid and effective until the close of business of the Company on the date which falls ten (10) years after the Adoption Date (the “**Termination Date**”), after which period no further Options may be granted but the provisions of the New Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any Options granted or otherwise as may be required in accordance with the provisions of the New Share Option Scheme.
- (e) An Eligible Participant who accepts the offer in accordance with the terms of the New Share Option Scheme or (where the context so permits and as referred to in paragraph 5(d)(i)) his/her personal representative (the “**Grantee**”) shall ensure that the acceptance of an offer, the holding and exercise of the Option in accordance with the New Share Option Scheme, the allotment and issue of Shares to him/her upon the exercise of the Option and the holding of such Shares are valid and comply with all laws, legislation and regulations including all applicable exchange control, fiscal and other laws to which he/she is subject. The Directors may, as a condition precedent of making an offer and

allotting Shares upon an exercise of an Option, require an Eligible Participant or a Grantee (as the case may be) to produce such evidence as they may reasonably require for such purpose.

2. CONDITIONS

- (a) The New Share Option Scheme is conditional upon:

- (b) Without prejudice to paragraph 7(d) below, the making of an offer to any Director, chief executive or substantial shareholder of the Company, or any of their respective associates must be approved by the independent non-executive Directors (excluding any independent non-executive Director who or whose associate is the proposed Grantee of an Option).
- (c) The eligibility of any of the Eligible Participants to an offer shall be determined by the Directors from time to time on the basis of the Directors’ opinion as to the Eligible Participant’s contribution to the development and growth of the Group. In assessing whether Options are to be granted to any Eligible Participant, the Board shall take into account various factors, including but not limited to, the nature and extent of

contributions provided by such Eligible Participant to the Group, the positive impacts which such Eligible Participant has brought to the Group's business and development and whether granting Options to such Eligible Participant is an appropriate incentive to motivate such Eligible Participant to continue to contribute towards the betterment of the Group.

To the extent that the offer is not accepted within the time specified in the offer in the manner indicated in paragraphs 3(f) or 3(g), it will be deemed to have been irrevocably declined.
- (i) The Option Period of an Option must not be more than ten (10) years after the offer date of that Option.

No Grantee shall in any way sell, transfer, charge, mortgage, encumber or otherwise dispose of or create any interest whatsoever in favour of any third party over or in relation to any Option or enter into any agreement to do so. Any breach of the foregoing by a Grantee shall entitle the Company to cancel any Option granted to such Grantee to the extent not already exercised.

- (b) Unless otherwise determined by the Directors and stated in the offer to a Grantee, a Grantee is not required to hold an Option for any minimum period nor achieve any performance targets before the exercise of an Option granted to him/her.
- (c) Subject to, *inter alia*, paragraph 3(d) and the fulfilment of all terms and conditions set out in the offer, including the attainment of any performance targets stated therein (if any), an Option shall be exercisable in whole or in part in the circumstances and in the manner as set out in paragraphs 5(d) and 5(e) by giving notice in writing to the Company stating that the Option is thereby exercised and the number of Shares in respect of which it is so exercised (which, except where the number of Shares in respect of which the Option remains unexercised is less than one board lot or where the Option is exercised in full, must be for a board lot for dealings in Shares on the Stock Exchange or an integral multiple thereof). Each such notice must be accompanied by a remittance for the full amount of the Exercise Price for Shares in respect of which the notice is given. Within 21 days (seven days in the case of an exercise pursuant to paragraph 5(d)(iii)) after receipt of the notice and, where appropriate, receipt of the certificate of the auditors or the independent financial advisers pursuant to paragraph 8, the Company shall accordingly allot and issue the relevant number of Shares to the Grantee (or, in the event of an exercise of Option by a personal representative pursuant to paragraph 5(d)(i), to the estate of the Grantee) fully paid and issue to the Grantee (or his/her estate in the event of an exercise by his/her personal representative as aforesaid) the relevant share certificate(s) in respect of the Shares so allotted and issued.
- (d) Subject as hereinafter provided in the New Share Option Scheme, an Option may only be exercised by the Grantee at any time during the Option Period provided that:
- (i) if the Grantee is an employee of the Group and in the event of his/her ceasing to be a grantee by reason of his/her death, ill-health or retirement in accordance with his/her contract of employment before exercising the Option in full, his/her personal representative(s) or, as appropriate, the Grantee may exercise the Option (to the extent not already exercised) in whole or in part in accordance with the provisions of paragraph 5(c) within a period of 12 months following the date of cessation of employment which date shall be the last day on which the Grantee was at work with the Company or the relevant Subsidiary whether salary is paid in lieu of notice or not, or such longer period as the Directors may determine or, if any of the events referred to in paragraph 5(d)(iii) or 5(d)(iv) occur during such period, exercise the Option pursuant to paragraph 5(d)(iii) or 5(d)(iv) respectively;
- (ii) if the Grantee is an employee of the Group and in the event of his/her ceasing to be a grantee for any reason other than (1) his/her death, ill-health or retirement in accordance with his/her contract of employment or (2) the termination of his/her employment on one or more of the grounds specified in paragraph 6(a)(iv) before exercising the Option in full, the Option (to the extent not already exercised) shall

lapse on the date of cessation or termination and not be exercisable unless the Directors otherwise determine in which event the Grantee may exercise the Option (to the extent not already exercised) in whole or in part in accordance with the provisions of paragraph 5(c) within such period as the Directors may determine following the date of such cessation or termination or, if any of the events referred to in paragraph 5(d)(iii) or 5(d)(iv) occur during such period, exercise the Option pursuant to paragraph 5(d)(iii) or 5(d)(iv) respectively. The date of cessation or termination as aforesaid shall be the last day on which the Grantee was actually at work with the Company or the relevant Subsidiary whether salary is paid in lieu of notice or not;

- (iii) if a general or partial offer, whether by way of takeover offer, share re-purchase offer, or scheme of arrangement or otherwise in like manner is made to all the Shareholders, or all such holders other than the offeror and/or any person controlled by the offeror and/or any person acting in association or concert with the offeror, the Company shall use all reasonable endeavours to procure that such offer is extended to all the Grantees on the same terms, mutatis mutandis, and assuming that they will become, by the exercise in full of the Options granted to them, the Shareholders. If such offer becomes or is declared unconditional or such scheme of arrangement is formally proposed to the Shareholders, the Grantee shall, notwithstanding any other terms on which his/her Options were granted, be entitled to exercise the Option (to the extent not already exercised) to its full extent or to the extent specified in the Grantee's notice to the Company in accordance with the provisions of paragraph 5(c) at any time thereafter and up to the close of such offer (or any revised offer) or the record date for entitlements under scheme of arrangement, as the case may be;
- (iv) in the event of a resolution being proposed for the voluntary winding-up of the Company during the Option Period, the Grantee may, subject to the provisions of all applicable laws, by notice in writing to the Company at any time not less than two (2) Business Days before the date on which such resolution is to be considered and/or passed, exercise his/her Option (to the extent not already exercised) either to its full extent or to the extent specified in such notice in accordance with the provisions of paragraph 5(c) and the Company shall allot and issue to the Grantee the Shares in respect of which such Grantee has exercised his/her Option not less than one (1) day before the date on which such resolution is to be considered and/or passed whereupon he/she shall accordingly be entitled, in respect of the Shares allotted and issued to him/her in the aforesaid manner, to participate in the distribution of the assets of the Company available in liquidation *pari passu* with the holders of the Shares in issue on the day prior to the date of such resolution. Subject thereto, all Options then outstanding shall lapse and determine on the commencement of the winding-up; and

- (e) Shares to be allotted and issued upon the exercise of an Option will be subject to the provisions of the Articles of Association for the time being in force and will rank *pari passu* in all respects with the existing fully paid Shares in issue on the date when the name of the Grantee is registered on the register of members of the Company and accordingly will entitle the holders thereof to participate in all dividends or other distributions paid or made on or after the name of the Grantee is registered on the register of members of the Company, other than any dividend or distribution previously declared or recommended or resolved to be paid or made if the record date therefor shall be before the date when the name of the Grantee is registered on the register of members of the Company. A Share allotted and issued upon the exercise of an Option shall not carry voting rights until the name of the Grantee has been duly entered on the register of members of the Company as the holder thereof.

7. MAXIMUM NUMBER OF SHARES AVAILABLE FOR SUBSCRIPTION

- (a) The maximum number of Shares which may be allotted and issued upon exercise of all outstanding Options granted and yet to be exercised under the New Share Option Scheme and any other share option scheme adopted by the Company shall not exceed 30% of the total number of Shares in issue from time to time. No Options may be granted under the New Share Option Scheme or any other share option scheme adopted by the Company if this will result in such limit being exceeded.
- (b) The total number of Shares which may be allotted and issued upon exercise of all Options (excluding, for this purpose, Options which have lapsed in accordance with the terms of the New Share Option Scheme and any other share option scheme of the Company) to be granted under the New Share Option Scheme and any other share option scheme of the Company must not in aggregate exceed the General Scheme Limit provided that:
 - (i) subject to paragraph 7(a) and without prejudice to paragraph 7(b)(ii), the Company may seek approval of the Shareholders in general meeting to refresh the General Scheme Limit provided that the total number of Shares which may be allotted and issued upon exercise of all Options to be granted under the New Share Option Scheme and any other share option scheme of the Company must not exceed 10% of the Shares in issue as at the date of approval of the limit and for the purpose of calculating the limit, options previously granted under the New Share Option Scheme and any other share option scheme of the Company (including those outstanding, cancelled, lapsed or exercised in accordance with the New Share Option Scheme and any other share option scheme of the Company) will not be counted; and

- (ii) subject to paragraph 7(a) and without prejudice to paragraph 7(b)(i), the Company may seek separate shareholders' approval in general meeting to grant Options under the New Share Option Scheme beyond the General Scheme Limit or, if applicable, the extended limit referred to in paragraph 7(b)(i) to Eligible Participants specifically identified by the Company before such approval is sought.

- (c) Subject to paragraph 7(d), the total number of Shares issued and which may fall to be issued upon exercise of the Options and the Options granted under any other share option scheme of the Company (including both exercised or outstanding Options) to each Grantee in any 12-month period shall not exceed 1% of the total number of Shares in issue. Where any further grant of Options to a Grantee would result in the Shares issued and to be issued upon exercise of all Options granted and proposed to be granted to such person (including exercised, cancelled and outstanding Options) under the New Share Option Scheme and any other share option scheme of the Company in the 12-month period up to and including the date of such further grant representing in aggregate over 1% of the Shares in issue, such further grant must be separately approved by the Shareholders in general meeting with such Grantee and his/her close associates (or his associates if the Grantee is a connected person) abstaining from voting. The number and terms (including the Exercise Price) of Options to be granted to such Grantee must be fixed before the Shareholders' approval.

- (d) Without prejudice to paragraph 3(b) and 3(c), each grant of Options to a director, chief executive or substantial shareholder of the Company or any of their respective associates must be approved by independent non-executive Directors (excluding independent non-executive Director who or whose associate is the proposed Grantee of an Option). Where any grant of Options to a substantial shareholder of the Company or an independent non-executive Director or any of their respective associates, would result in the Shares issued and to be issued upon exercise of all Options already granted and to be granted (including Options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant:
 - (i) representing in aggregate over 0.1% of the Shares in issue; and
 - (ii) having an aggregate value, based on the closing price of the Shares at the offer date of each offer, in excess of HK\$5 million;

such further grant of Options must be approved by the Shareholders in general meeting. The Company shall send a circular to the Shareholders containing all information as required under the Listing Rules in this regard. The Grantee, his/her associates and all core connected persons (as defined in the Listing Rules) of the Company must abstain from voting in favour at such general meeting.

- (e) For the purpose of seeking the approval of the Shareholders under paragraphs 7(b), 7(c) and 7(d), the Company must send a circular to the Shareholders containing the information required under the Listing Rules and where the Listing Rules shall so require, the vote at the Shareholders' meeting convened to obtain the requisite approval shall be taken on a poll with those persons required under the Listing Rules abstaining from voting.

8. ADJUSTMENTS TO THE EXERCISE PRICE

- (a) In the event of any alteration in the capital structure of the Company whilst any Option remains exercisable or the New Share Option Scheme remains in effect, and such event arises from a capitalisation of profits or reserves, rights issue, consolidation or subdivision of the Shares, reduction of the share capital of the Company or any other capitalisation issue, then, in any such case the Company shall request the auditors or an independent financial adviser to certify in writing the adjustment, if any, that ought in their opinion fairly and reasonably to be made either generally or as regards any particular Grantee, to:

- (i) the number or nominal amount of Shares to which the New Share Option Scheme or any Option(s) relates (insofar as it is/they are unexercised); and/or
- (ii) the Exercise Price of any Option; and/or
- (iii) (unless the relevant Grantee elects to waive such adjustment) the number of Shares comprised in an Option or which remain comprised in an Option,

and an adjustment as so certified by the auditors or such independent financial adviser shall be made, provided that:

- (i) any such adjustment shall give the Grantee the same proportion of the issued share capital of the Company for which such Grantee would have been entitled to subscribe had he/she exercised all the Options held by him/her immediately prior to such adjustment;
- (ii) no such adjustment shall be made the effect of which would be to enable a Share to be issued at less than its nominal value;
- (iii) the issue of Shares or other securities of the Group as consideration in a transaction shall not be regarded as a circumstance requiring any such adjustment; and
- (iv) any such adjustment shall be made in compliance with such rules, codes and guidance notes of the Stock Exchange from time to time.

In respect of any adjustment referred to in this paragraph 8(a), other than any adjustment made on a capitalisation issue, the auditors or such independent financial adviser must confirm to the Directors in writing that the adjustments satisfy the requirements of the relevant provisions of the Listing Rules.

- (b) If there has been any alteration in the capital structure of the Company as referred to in paragraph 8(a), the Company shall, upon receipt of a notice from a Grantee in accordance with paragraph 5(c), inform the Grantee of such alteration and shall either inform the Grantee of the adjustment to be made in accordance with the certificate of the auditors or the independent financial adviser obtained by the Company for such purpose or, if no such certificate has yet been obtained, inform the Grantee of such fact and instruct the auditors or the independent financial adviser as soon as practicable thereafter to issue a certificate in that regard in accordance with paragraph 8(a).
- (c) In giving any certificate under this paragraph 8, the auditors or the independent financial adviser appointed under paragraph 8(a) shall be deemed to be acting as experts and not as arbitrators and their certificate shall, in the absence of manifest error, be final, conclusive and binding on the Company and all persons who may be affected thereby.

9. CANCELLATION OF OPTIONS

- (a) Subject to paragraph 5(a) and Chapter 17 of the Listing Rules, any Option granted but not exercised may not be cancelled except with the prior written consent of the relevant Grantee and the approval of the Directors.
- (b) Where the Company cancels any Option granted to a Grantee but not exercised and issues new Option(s) to the same Grantee, the issue of such new Option(s) may only be made with available unissued Options (excluding, for this purpose, the Options so cancelled) within the General Scheme Limit or the limits approved by the Shareholders pursuant to paragraph 7(b)(i) or 7(b)(ii).

10. SUFFICIENT SHARE CAPITAL

The exercise of any Option shall be subject to the Shareholders in general meeting approving any necessary increase in the authorised share capital of the Company. Subject thereto, the Directors shall make available sufficient authorised but unissued share capital of the Company to allot and issue the Shares on the exercise of any Option.

11. DISPUTES

Any dispute arising in connection with the New Share Option Scheme (whether as to the number of Shares, the subject of an Option, the amount of the Exercise Price or otherwise) shall be referred to the decision of the auditors or the financial adviser (as the case may be) who shall act as experts and not as arbitrators and whose decision shall, in the absence of manifest error, be final, conclusive and binding on all persons who may be affected thereby.

12. ALTERATION OF THE NEW SHARE OPTION SCHEME

- (a) Subject to paragraphs 12(b) and 12(d), the New Share Option Scheme may be altered in any respect by a resolution of the Directors except that:
- (i) the provisions of the New Share Option Scheme as to the definitions of “Eligible Participant(s)”, “Grantee”, “Option Period” and “Termination Date”;
 - (ii) the provisions of the New Share Option Scheme relating to the matters governed by Rule 17.03 of the Listing Rules;

shall not be altered to the advantage of Grantees or prospective Grantees except with the prior sanction of a resolution of the Shareholders in general meeting, provided that no such alteration shall operate to affect adversely the terms of issue of any Option granted or agreed to be granted prior to such alteration except with the consent or sanction of such majority of the Grantees as would be required of the Shareholders under the Articles of Association for a variation of the rights attached to the Shares.

- (b) Any alterations to the terms and conditions of the New Share Option Scheme which are of a material nature or any change to the terms of Options granted shall be approved by the Shareholders in general meeting except where the alterations take effect automatically under the existing terms of the New Share Option Scheme.
- (c) Any change to the authority of the Directors or the administrators of the New Share Option Scheme in relation to any alteration to the terms of the New Share Option Scheme must be approved by the Shareholders in general meeting.
- (d) The amended terms of the New Share Option Scheme and/or any Options pursuant to this paragraph 12 must still comply with the relevant requirements of Chapter 17 of the Listing Rules.

13. TERMINATION

The Company by resolution in general meeting may at any time terminate the operation of the New Share Option Scheme and in such event no further Options will be offered, but in all other respects the provisions of the New Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any Options (to the extent not already exercised) granted

prior thereto or otherwise as may be required in accordance with the provisions of the New Share Option Scheme and Options (to the extent not already exercised) granted prior to such termination shall continue to be valid and exercisable in accordance with the New Share Option Scheme.

Details of the Options granted, including Options exercised or outstanding, under the New Share Option Scheme must be disclosed in the circular to Shareholders seeking approval of any subsequent share option scheme to be established after such termination.

14. GOVERNING LAW

- (a) All allotments and issues of Shares pursuant to the New Share Option Scheme shall be subject to any necessary consents under the relevant laws, enactments or regulations for the time being to which the Company is subject. A Grantee shall be responsible for obtaining any governmental or other official consent that may be required by any country or jurisdiction for, or in connection with the grant or exercise of an Option. The Company shall not be responsible for any failure by a Grantee to obtain any such consent or for any tax or other liability to which a Grantee may become subject as a result of his or her participation in the New Share Option Scheme.
- (b) The New Share Option Scheme shall not confer on any person any legal or equitable rights (other than those constituting the Options themselves) against the Company directly or indirectly or give rise to any cause of action at law or in equity against the Company.
- (c) The Board shall procure that details of the New Share Option Scheme are disclosed in the Company's annual reports and interim reports of the Company in compliance with the Listing Rules in force from time to time.

(E) As regards adjustments

- (i) Subject as hereinafter provided, the Deemed Conversion Price shall from time to time be adjusted in accordance with the following relevant provisions and so that if the event giving rise to any such adjustment shall be such as would be capable of falling within more than one of sub-paragraphs (a) and (b) of this Article 3(3)(E)(i) it shall fall within sub-paragraph (E)(i)(a) to the exclusion of sub-paragraph (E)(i)(b):
 - (a) If and whenever the Ordinary Shares by reason of any consolidation or sub-division become of a different nominal amount, the Deemed Conversion Price in force immediately prior thereto shall be adjusted by multiplying it by the revised nominal amount and dividing the result by the former nominal amount. Each such adjustment shall be effective from the close of business in Hong Kong on the day immediately preceding the date on which the consolidation or sub-division becomes effective.
 - (b) If and whenever the Company shall offer to holders of Ordinary Shares new Ordinary Shares for subscription by way of rights at a price which is less than 90% of the market price at the date of the announcement of the terms of the offer, the Deemed Conversion Price shall be adjusted by multiplying the Deemed Conversion Price in force immediately before the date of the announcement of such offer by a fraction of which the numerator is the number of Ordinary Shares in issue immediately before the date of such announcement plus the number of Ordinary Shares which the aggregate of the amount (if any) payable for the rights and of the amount payable for the total number of new Ordinary Shares comprised therein would purchase at such market price and the denominator is the number of Ordinary Shares in issue immediately before the date of such announcement plus the aggregate number of Ordinary Shares offered for subscription (such adjustment to become effective (if appropriate retroactively) from the commencement of the day next following the record date for the offer).

- (ii) For the purposes of this Article (3)(3)(E):

“market price” means the average of the closing prices of the Ordinary Shares on the Designated Stock Exchange for each of the last five Designated Stock Exchange dealing days on which dealings in the Ordinary Shares on the Designated Stock Exchange took place ending on the last such dealing day preceding the day on or as of which the market price is to be ascertained;

“rights” includes rights in whatsoever form issued; and

- (iii) Any adjustment to the Deemed Conversion Price shall be made to the nearest one Hong Kong Cent so that any amount under half a Hong Kong Cent shall be rounded down and any amount of half a Hong Kong Cent or more shall be rounded up and in no event shall any adjustment (otherwise than upon the consolidation of Ordinary Shares into shares of a larger nominal amount) involve an increase in the Deemed Conversion Price. In addition to any determination which may be made by the board of the Company every adjustment to the Deemed Conversion Price shall be certified either (at the option of the Company) by the auditors of the Company for the time being or by an approved merchant bank.
- (iv) Notwithstanding anything contained herein, no adjustment shall be made to the Deemed Conversion Price in any case in which the amount by which the same would be reduced in accordance with the foregoing provisions of this paragraph would be less than one Hong Kong Cent and any adjustment that would otherwise be required then to be made shall not be carried forward.
- (v) Whenever the Deemed Conversion Price is adjusted as herein provided, the Company shall give notice to the holders of Preference Shares that the Deemed Conversion Price has been adjusted (setting forth the event giving rise to the adjustment, the Deemed Conversion Price in effect prior to such adjustment, the adjusted Deemed Conversion Price and the effective date thereof) and shall at all times thereafter so long as any of the Preference Shares remains outstanding make available for inspection at its registered office a signed copy of the said certificate of the auditors of the Company or

- (vi) If application of any of the provisions of this paragraph (E) would but for this sub-paragraph (vi) result in the Deemed Conversion Price being reduced so that on conversion Ordinary Shares shall fall to be issued at a discount to their nominal value, then the Deemed Conversion Price shall be adjusted to an amount equal to the nominal value of one Share.
- (vii) For the avoidance of doubt, nothing in this paragraph (E) shall operate to require an adjustment to the Deemed Conversion Price other than as expressly provided for herein.

31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.
32. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.

33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. 36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.
37. Any share so forfeited shall be deemed the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.
38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of

forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.
40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.
41. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.
42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:

The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in an appointed newspaper or any other newspapers in accordance with the requirements of any Designated Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares.

TRANSFER OF SHARES

46. (1) Subject to these Articles, any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.
- (2) Notwithstanding the provisions of subparagraph (1) above, for so long as any shares are listed on the Designated Stock Exchange, titles to such listed shares may be evidenced and transferred in accordance with the laws applicable to and the Listing Rules that are or shall be applicable to such listed shares. The register of members of the Company in respect of its listed shares (whether the Register or a branch register) may be kept by recording the particulars required by Section 40 of the Act in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the Listing Rules that are or shall be applicable to such listed shares.
47. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.
48. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four (4) joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.
- (2) No transfer shall be made to an infant or to a person of unsound mind or under other legal disability.
- (3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.

- (4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the ~~Law~~Act. App. 3
1(1)
49. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:—
- (a) a fee of such maximum sum as ~~prescribed by~~ the Designated Stock Exchange may determine from time to time to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof; App. 3
1(1)
- (b) the instrument of transfer is in respect of only one class of share;
- (c) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the ~~Law~~Act or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
- (d) if applicable, the instrument of transfer is duly and properly stamped.
50. If the Board refuses to register a transfer of any share, it shall, within two (2) months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.
51. The registration of transfers of shares or of any class of shares may, after notice has been given by announcement or by electronic communication or by advertisement in any newspapers or by any other means in accordance with the requirements of any Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine. The period of thirty (30) days may be extended for a further period or periods not exceeding thirty (30) days in respect of any year if approved by the Members by ordinary resolution.

TRANSMISSION OF SHARES

- 52. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.
- 53. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.
- 54. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 75(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

- 55. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered. ~~App. 2~~
~~12(1)~~
- (2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless: ~~App. 2~~
~~12(2)~~
~~12(2)(b)~~
 - (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles of the Company have remained uncashed;

- (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
- (c) the Company, ~~if so required by the rules governing the listing of shares on the Designated Stock Exchange,~~ has given notice of its intention to sell such shares to, and caused advertisement ~~in newspapers~~ both in daily newspaper and in a newspaper circulating in the area of the last known address of such Member or any person entitled to the share under Article 54 and where applicable, in each case in accordance with the requirements of, the Designated Stock Exchange ~~to be made of its intention to sell such shares in the manner required by the Designated Stock Exchange,~~ and a period of three (3) months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

- (3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

- (d) if any of the Meeting Locations is not in the same jurisdiction as the Principal Meeting Place and/or in the case of a hybrid meeting, the provisions of these Articles concerning the service and giving of Notice for the meeting, and the time for lodging proxies, shall apply by reference to the Principal Meeting Place; and in the case of an electronic meeting, the time for lodging proxies shall be as stated in the Notice for the meeting.

64B. The Board and, at any general meeting, the chairman of the meeting may from time to time make arrangements for managing attendance and/or participation and/or voting at the Principal Meeting Place, any Meeting Location(s) and/or participation in an electronic meeting or a hybrid meeting by means of electronic facilities (whether involving the issue of tickets or some other means of identification, passcode, seat reservation, electronic voting or otherwise) as it shall in its absolute discretion consider appropriate, and may from time to time change any such arrangements, provided that a Member who, pursuant to such arrangements, is not entitled to attend, in person or by proxy, at any Meeting Location shall be entitled so to attend at one of the other Meeting Locations; and the entitlement of any Member so to attend the meeting or adjourned meeting or postponed meeting at such Meeting Location or Meeting Locations shall be subject to any such arrangement as may be for the time being in force and by the Notice of meeting or adjourned meeting or postponed meeting stated to apply to the meeting.

64C. If it appears to the chairman of the general meeting that:

- (a) the electronic facilities at the Principal Meeting Place or at such other Meeting Location(s) at which the meeting may be attended have become inadequate for the purposes referred to in Article 64A(1) or are otherwise not sufficient to allow the meeting to be conducted substantially in accordance with the provisions set out in the Notice of the meeting; or

All business conducted at the meeting up to the time of such adjournment shall be valid.

64D. The Board and, at any general meeting, the chairman of the meeting may make any arrangement and impose any requirement or restriction the Board or the chairman of the meeting, as the case may be, considers appropriate to ensure the security and orderly conduct of a meeting (including, without limitation, requirements for evidence of identity to be produced by those attending the meeting, the searching of their personal property and the restriction of items that may be taken into the meeting place, determining the number and frequency of and the time allowed for questions that may be raised at a meeting). Members shall also comply with all requirements or restrictions imposed by the owner of the premises at which the meeting is held. Any decision made under this Article shall be final and conclusive and a person who refuses to comply with any such arrangements, requirements or restrictions may be refused entry to the meeting or ejected (physically or electronically) from the meeting.

64E. If, after the sending of Notice of a general meeting but before the meeting is held, or after the adjournment of a meeting but before the adjourned meeting is held (whether or not Notice of the adjourned meeting is required), the Directors, in their absolute discretion, consider that it is inappropriate, impracticable, unreasonable or undesirable for any reason to hold the general meeting on the date or at the time or place or by means of electronic facilities specified in the Notice calling the meeting, they may change or postpone the meeting to another date, time and/or place and/or change the electronic facilities and/or change the form of the meeting (a physical meeting, an electronic meeting or a hybrid meeting) without approval from the

Members. Without prejudice to the generality of the foregoing, the Directors shall have the power to provide in every Notice calling a general meeting the circumstances in which a postponement of the relevant general meeting may occur automatically without further notice, including without limitation where a number 8 or higher typhoon signal, black rainstorm warning or other similar event is in force at any time on the day of the meeting. This Article shall be subject to the following:

- (a) when a meeting is so postponed, the Company shall endeavour to post a Notice of such postponement on the Company's website as soon as practicable (provided that failure to post such a Notice shall not affect the automatic postponement of a meeting);
- (b) when only the form of the meeting or electronic facilities specified in the Notice are changed, the Board shall notify the Members of details of such change in such manner as the Board may determine;
- (c) when a meeting is postponed or changed in accordance with this Article, subject to and without prejudice to Article 64, unless already specified in the original Notice of the meeting, the Board shall fix the date, time, place (if applicable) and electronic facilities (if applicable) for the postponed or changed meeting and shall notify the Members of such details in such manner as the Board may determine; further all proxy forms shall be valid (unless revoked or replaced by a new proxy) if they are received as required by these Articles not less than 48 hours before the time of the postponed meeting; and
- (d) Notice of the business to be transacted at the postponed or changed meeting shall not be required, nor shall any accompanying documents be required to be recirculated, provided that the business to be transacted at the postponed or changed meeting is the same as that set out in the original Notice of general meeting circulated to the Members.

64F. All persons seeking to attend and participate in an electronic meeting or a hybrid meeting shall be responsible for maintaining adequate facilities to enable them to do so. Subject to Article 64C, any inability of a person or persons to attend or participate in a general meeting by way of electronic facilities shall not invalidate the proceedings of and/or resolutions passed at that meeting.

64G. Without prejudice to other provisions in Article 64, a physical meeting may also be held by means of such telephone, electronic or other communication facilities as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.

65. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

66. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a poll every ~~Ordinary Shareholder~~Member present in person ~~(or being a corporation, is present by a representative duly authorised)~~, or by proxy shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share. A resolution put to the vote of a meeting shall be decided by way of a poll save that in the case of a physical meeting, the chairman of the meeting may in good faith, allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands in which case every Member present in person ~~(or being a corporation, is present by a duly authorized representative)~~, or by proxy(ies) shall have one vote provided that, where more than one proxy is appointed by ~~an Ordinary Shareholder~~a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands. For purposes of this Article, procedural and administrative matters are those that (i) are not on the agenda of the general meeting or in any supplementary circular that may be issued by the Company to its Members; and (ii) relate to the chairman's duties to maintain the orderly conduct of the meeting and/or allow the business of the meeting to be properly and effectively dealt with, whilst allowing all Members a reasonable opportunity to express their views. Votes (whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Directors or the chairman of the meeting may determine.

Ch.13.39(4)

- (2) ~~Where~~In the case of a physical meeting where a show of hands is allowed, before or on the declaration of the result of the show of hands, a poll may be demanded:
- (a) by at least three ~~Ordinary Shareholder~~Members present in person ~~or in the case of an Ordinary Shareholder being a corporation by its duly authorised representative~~ or by proxy for the time being entitled to vote at the meeting; or
 - (b) by ~~an Ordinary Shareholder or Ordinary Shareholders~~a Member or Members present in person ~~or in the case of an Ordinary Shareholder being a corporation by its duly authorised representative~~ or by proxy and representing not less than one-tenth of the total voting rights of all ~~Ordinary Shareholders~~Members having the right to vote at the meeting; or
 - (c) by ~~an Ordinary Shareholder or Ordinary Shareholders~~a Member or Members present in person ~~or in the case of an Ordinary Shareholder being a corporation by its duly authorised representative~~ or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for ~~an Ordinary Shareholder or in the case of an Ordinary Shareholder being a corporation by its duly authorised representative~~ a Member shall be deemed to be the same as a demand by ~~an Ordinary Shareholder~~ the Member.

67. Where a resolution is voted on by a show of hands, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution.
68. The result of the poll shall be deemed to be the resolution of the meeting.
69. The Company shall only be required to disclose the voting figures on a poll if such disclosure is required by the Listing Rules.
70. [repealed]
71. On a poll votes may be given either personally or by proxy.
72. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.
73. All questions submitted to a meeting shall be decided by a simple majority of votes except where a greater majority is required by these Articles or by the Law Act. In the case of an equality of votes, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.
74. Where there are joint holders of any share any one of such joint holders may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.
75. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, curator bonis or other person in the nature of a receiver, committee or curator bonis appointed by such court, and such receiver, committee, curator bonis or other person may vote by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person

claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting, or postponed meeting, as the case may be.

- (2) Any person entitled under Article 53 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that forty-eight (48) hours at least before the time of the holding of the meeting or adjourned meeting or postponed meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting in respect thereof.
76. (1) No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.
- (2) All Members have the right to (a) speak at a general meeting; and (b) (subject to any special rights or restrictions as to voting attached to any shares by or in accordance with these Articles) vote at a general meeting except where a Member is required, by the Listing Rules, to abstain from voting to approve the matter under consideration. App.3
14(3)
- ~~(2)~~(3) Where the Company has knowledge that any Member is, under the rules of the Designated Stock Exchange Listing Rules, required to abstain from voting on any particular resolution of the Company or restricted to voting only for or only against any particular resolution of the Company, any votes cast by or on behalf of such Member in contravention of such requirement or restriction shall not be counted. App. 3
14(4)
77. If:
- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting or postponed meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting or postponed meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

78. Any Member entitled to attend and vote at a meeting of the Company shall be entitled to appoint another person as his proxy to attend and vote instead of him. A Member who is the holder of two or more shares may appoint more than one proxy to represent him and vote on his behalf at a general meeting of the Company or at a class meeting. A proxy need not be a Member. In addition, a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise.
79. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the facts.
80. (1) The Company may, at its absolute discretion, provide an electronic address for the receipt of any document or information relating to proxies for a general meeting (including any instrument of proxy or invitation to appoint a proxy, any document necessary to show the validity of, or otherwise relating to, an appointment of proxy (whether or not required under these Articles) and notice of termination of the authority of a proxy). If such an electronic address is provided, the Company shall be deemed to have agreed that any such document or information (relating to proxies as aforesaid) may be sent by electronic means to that address, subject as hereafter provided and subject to any other limitations or conditions specified by the Company when providing the address. Without limitation, the Company may from time to time determine that any such electronic address may be used generally for such matters or specifically for particular meetings or purposes and, if so, the Company may provide different electronic addresses for different purposes. The Company may also impose any conditions on the transmission of and its receipt of such electronic communications including, for the avoidance of doubt, imposing any security or encryption arrangements as may be specified by the Company. If any document or information required to be sent to the Company under this Article is sent to the Company by electronic means, such document or information is not treated as validly delivered to or deposited with the Company if the same is not received by the Company at its designated electronic address provided in accordance with this Article or if no electronic address is so designated by the Company for the receipt of such document or information.
- (2) The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed, or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be

specified for that purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate), or if the Company has provided an electronic address in accordance with the preceding paragraph, shall be received at the electronic address specified, not less than forty-eight (48) hours before the time appointed for holding the meeting or adjourned meeting or postponed meeting at which the person named in the instrument proposes to vote. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or postponed meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting ~~in person~~ at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

81. Instruments of proxy shall be in any common form or in such other form as the Board may approve (provided that this shall not preclude the use of the two-way form) and the Board may, if it thinks fit, send out with the ~~notice~~Notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to vote on any amendment of a resolution put to the meeting for which it is given as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment or postponement of the meeting as for the meeting to which it relates. The Board may decide, either generally or in any particular case, to treat a proxy appointment as valid notwithstanding that the appointment or any of the information required under these Articles has not been received in accordance with the requirements of these Articles. Subject to aforesaid, if the proxy appointment and any of the information required under these Articles is not received in the manner set out in these Articles, the appointee shall not be entitled to vote in respect of the shares in question.
82. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the ~~notice~~Notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting or postponed meeting, at which the instrument of proxy is used.
83. Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply *mutatis mutandis* in relation to any such attorney and the instrument under which such attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES

- 84. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.
- (2) If a clearing house (or its nominee(s)), being a corporation, is a Member, it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company or at any meeting of any class of Members provided that, if more than one person is so authorised, the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Article shall be deemed to have been duly authorised without further evidence of the facts and be entitled to exercise the same rights and powers on behalf of the clearing house (or its nominee(s)) as if such person was the registered holder of the shares of the Company held by the clearing house (or its nominee(s)) including, where a show of hands is allowed, the right to vote individually on a show of hands.
- (3) Any reference in these Articles to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Article.

A resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all persons for the time being entitled to receive ~~notice~~ Notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Articles, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a special resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member to sign, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be prima facie evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one or more relevant Members.

The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

- (iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised (“the non-elected shares”) and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or

(b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:

- (i) the basis of any such allotment shall be determined by the Board;
- (ii) the Board, after determining the basis of allotment, shall give not less than two (2) weeks’ Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
- (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised (“the elected shares”) and in lieu thereof shares of the relevant class shall be allotted credited as fully

paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve (as defined below)) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.

- (2) (a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (1) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.
- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (3) The Company may upon the recommendation of the Board by ordinary resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a

registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

- (5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall *mutatis mutandis* apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

146. (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. Unless otherwise provided by the provisions of these Articles, the Board may apply the share premium account in any manner permitted by the Law. The Company shall at all times comply with the provisions of the ~~Law~~Act in relation to the share premium account.
- (2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

147. (1) The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that

such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.

- (2) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and the profit and loss account) whether or not the same is available for distribution by applying such sum in paying up unissued shares to be allotted to (i) employees (including directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting, or (ii) any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.

148. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Article and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

SUBSCRIPTION RIGHTS RESERVE

149. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the ~~Law~~Act:

- (1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:
 - (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the “Subscription Rights Reserve”) the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub- paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
 - (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
 - (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
 - (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent

the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holders; and

- (d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (2) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.
- (3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a special resolution of such warrant holders or class of warrant holders.
- (4) A certificate or report by the auditors for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as

to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.
