This announcement is made by BOE Varitronix Limited (the “Company”, together with its subsidiaries, the “Group”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong) (the “SFO”).

The board of directors of the Company (the “Board”) wishes to inform the shareholders of the Company (the “Shareholders”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the Period, the profit attributable to equity shareholders of the Company is expected to record a significant increase in a range of 140% to 180% as compared with that of approximately HK\$95.1 million for the corresponding period in 2021 (reviewed). The significant increase was mainly due to (i) increase in sales of Thin Film Transistor (“TFT”) and advanced display module

solution to customers as a result of our enhanced marketing effort and high market demand; (ii) our cost control measures; and (iii) the increase in net profit margin through economies of scales as a result of increase in sales.

The information contained in this announcement is only based on the preliminary assessment by the Company's management with reference to the information currently available, including the draft unaudited consolidated management accounts of the Group for the Period, which have not been reviewed or audited by the Company's auditors.

Shareholders and potential investors are advised to refer to the interim results of the Group for the Period which is expected to be published by the end of August 2022 and the related interim report which is expected to be published subsequently.

Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.
