CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

This report, for which the directors (the “Directors”) of Million Stars Holdings Limited (the “Company”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

MANAGEMENT DISCUSSION AND ANALYSIS

管理層討論及分析

PROFIT WARNING

Hit by the twists and turns of the COVID-19 pandemic in mainland China and changes in digital asset policies, the Group's revenue from overseas internet advertising fell significantly and no revenue was recorded from the digital assets business. Since the Group was still investing in the establishment of online and offline advertising channels in mainland China and in the project involving the construction of multi-functional advertising equipment, no revenue was generated yet.

Mitigation Measures

Integrated with the digitalization empowered platform, the advertising & marketing system has generated stable operating income since November 2022 and tended to grow rapidly. This business is fully operated by Junjing Business Management (Zhejiang) Co., Ltd. (雋景商業管理(浙江)有限公司) (“**Junjing Business**”), a wholly-owned subsidiary of the Group. Junjing Business, together with Zhejiang Dongri Agricultural Development Co., Ltd. (浙江東日農業發展有限公司), a subsidiary of Zhejiang Dongri Co., Ltd.
