The board of directors of the Company (the “**Board**”) is pleased to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended December 31, 2022, and the information currently available to the Board, the Group is expecting to record a net profit attributable to Shareholders (“**Net Profit**”) in the range of HK\$240 million to HK\$270 million for the year ended December 31, 2022, representing an increase ranging from 26% to 42%, as compared with the Net Profit of HK\$190 million for the corresponding period in 2021.
