REASONS FOR AND BENEFITS OF THE SUBSCRIPTION OF STRUCTURED DEPOSIT PRODUCTS

The Company's subscription of the structured deposit products by reasonable and effective use of certain portion of its temporary idle funds (including self-owned funds generated from daily operation and proceeds from the public issuance of A shares) is beneficial for enhancing the overall capital gain of the Group, which is consistent with the core objectives of the Company to safeguard its capital and ensure liquidity. It is expected that the impact of risk factors in connection with the expected return of the above-mentioned structured deposit products is low, while the Group can enjoy a higher return compared with fixed term deposits in commercial banks in the PRC.

The Directors (including the independent non-executive Directors) are of the view that the above-mentioned Ping An Bank Structured Deposit Products Agreements are made on normal commercial terms, are fair and reasonable and in the interest of the Company and its shareholders as a whole.
