The board (the “**Board**”) of directors of the Company (the “**Directors**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group for the nine months ended 31 December 2022, the Group is expected to record a net loss of approximately HK\$4.7 million for the nine months ended 31 December 2022 as compared to a net loss of approximately HK\$0.8 million for the nine months ended 31 December 2021.
