POSITIVE PROFIT ALERT

This announcement is made by China Leon Inspection Holding Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Director(s)**”) of the Company hereby informs the shareholders of the Company and potential investors that, based on the preliminary assessment on the latest unaudited consolidated financial results of the Group for the year ended 31 December 2022 (the “**Year**”) and the information currently available to the Group, the Group expects to record an over 30% increase in profit attributable to the owners of the Company for the year ended 31 December 2022. The substantial increase is mainly contributed by the following factors:

1. Sustainable “ESG-oriented development” under the “2+X” Strategy

ESG-oriented development is a key priority for the Company’s “2+X” development strategy. During the Year, the Group continued to devote increasing resources to ESG-oriented company policies, facilitating the successful implementation of its ESG development initiatives. Through the three main implementation dimensions of (1) ESG-Friendly¹; (2) ESG+²; and (3) ESG-Focused³, the Group has achieved its ESG development strategies. Led by the “ESG-oriented development” of the Company’s four major business divisions, namely commodities services, clean energy, environment protection and climate change, the Company fully maximized synergies among all business divisions.

1. ESG-Friendly: business services dedicated to complement broader ESG impact
2. ESG+: business services directly and actively contributing to positive ESG impact
3. ESG-Focused: strategies focused on delivering ESG impact

2. Promising Potential of New Business Divisions

During the Year, the Company made strategic investments in carbon neutrality services, and continued to bolster competitive advantages while doubling down on research and development of digital management platforms. In response to the rapid growth of new businesses, the Company systematically strengthened sustainable development in talent retention, innovation and corporate integrity, achieving promising results during the Year.

3. Enhanced Management System and Cost Control Measures

Being committed to the continuous optimization of operating system, the Company captured TIC market trend and focused on business development, continuously enhancing service quality and deepening cooperation with major customers. The Company continued to enhance resource allocation, effectively boosting the operating efficiency and delivering effective cost control.

4. Competitive Strength Empowered by Global Networks

The Group seized opportunities brought by fast-growing emerging markets world-wide, and expanded its presence internationally from major trading ports and hub cities in the Asia Pacific region to emerging markets in South America and Africa. With its global presence, the Group further enhanced its ability to serve industry leaders and enhanced its customers' loyalty.

As the Company is still in the process of compiling its consolidated financial results for the year ended 31 December 2022, the information contained in this announcement is only based on the preliminary assessment by the Board with reference to the latest unaudited consolidated financial results of the Group for the year ended 31 December 2022 and the information currently available to the Group, which have not yet been finalized or reviewed by the auditor of the Company and may be subject to adjustments as appropriate. Shareholders of the Company and potential investors are advised to read carefully the annual results announcement for the year ended 31 December 2022 of the Company for further details, which is expected to be published around 30 March 2023 in compliance with the Listing Rules.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
