INSIDE INFORMATION PROFIT WARNING

This announcement is made by Janco Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM (the “**GEM Listing Rules**”) of The Stock Exchange of Hong Kong Limited (the “**Stock Exchange**”) and Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on a preliminary review on the unaudited consolidated management accounts of the Group for the year ended 31 December 2022 and the information currently available, the Group is expected to record a decrease in the total comprehensive income for the year ended 31 December 2022 to approximately HK\$5.3 million, as compared to that of approximately HK\$17.9 million for the year ended 31 December 2021. In particular, the Group is also expected to record a decrease in profit attributable to owners of the Company for the year ended 31 December 2022 to approximately HK\$4.2 million, as compared to that of approximately HK\$17.3 million for the year ended 31 December 2021. The decrease in profit attributable to owners of the Company for the year ended 31 December 2022 was mainly attributable to the (i) decrease in gross profit from e-commerce fulfilment services and air freight forwarding services; and (ii) decrease in other gains and losses, net as the subsidy from a non-government institution received during the year ended 31 December 2021 was no longer available. Notwithstanding the above, the Group recorded an increase in (i) gross profit from ocean freight forwarding services, and logistics and warehousing services; and (ii) other income as a result of the subsidies granted to the Group under the Employment Support Scheme under the Anti-epidemic Fund provided by the Government of the Hong Kong Special Administrative Region of the People’s Republic of China for the year ended 31 December 2022.

The Company is still in the process of finalising the consolidated results of the Group for the year ended 31 December 2022. The information contained in this announcement is only based on the information currently available to the Board and the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2022, which have not yet been finalised nor reviewed by the audit committee of the Board and may be subject to adjustments. The actual financial results of the Group for the year ended 31 December 2022 may be different from the information disclosed in this announcement. Shareholders and potential investors are advised to refer to the annual results announcement of the Company for the year ended 31 December 2022, which is expected to be published by the end of March 2023.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
