AND
NOTICE OF ANNUAL GENERAL MEETING**

LETTER FROM THE BOARD

INTRODUCTION

The purpose of this circular is to give you further information in relation to, inter alia, the following proposals to be put forward at the Annual General Meeting: (a) the grant to the Directors the Issue Mandate and the Repurchase Mandate; and (b) the re-election of the retiring Directors.

ISSUE MANDATE

In order to ensure flexibility and give discretion to the Directors in the event that it becomes desirable for the Company to issue any new Share, ordinary resolution numbered 4(a) will be proposed at the Annual General Meeting to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and deal with the additional Shares up to 20% of the number of issued Shares as at the date of passing the resolution in relation to the Issue Mandate. As at the Latest Practicable Date, the issued share capital of the Company comprised 1,630,328,000 Shares. Subject to the passing of ordinary resolution numbered 4(a) and on the basis that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of the Annual General Meeting, the Directors will be authorised to allot and issue a maximum of 326,065,600 Shares under the Issue Mandate.

In addition, subject to a separate approval of ordinary resolution numbered 4(c), the number of Shares repurchased by the Company under ordinary resolution numbered 4(b) will also be added to extend the 20% limit of the Issue Mandate as mentioned in ordinary resolution numbered 4(a) provided that such additional amount shall not exceed 10% of the number of issued Shares as at the date of passing the resolutions in relation to the Issue Mandate and the Repurchase Mandate. The Directors have no immediate plans to issue any new Shares pursuant to the Issue Mandate.

REPURCHASE MANDATE

An ordinary resolution will be proposed at the Annual General Meeting to approve the grant of the Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10% of the number of issued Shares as at the date of passing the resolution in relation to the Repurchase Mandate.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the Repurchase Mandate is set out in Appendix II to this circular. The explanatory statement contains all reasonably necessary information to enable the Shareholders to make an informed decision as to whether to vote for or against the relevant resolution at the Annual General Meeting.

The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,630,328,000 Shares with nominal value of HK\$0.1 each. Subject to passing the resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Directors will be authorised to repurchase a maximum of 163,032,800 Shares, which represent 10% of the number of issued Shares as at the date of passing the resolution in relation to the Repurchase Mandate, during the period ending on the earliest of (a) the conclusion of the next annual general meeting of the Company unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable law to be held; or (c) the date on which such authority is revoked or varied by ordinary resolution of the Shareholders in general meeting.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek the Repurchase Mandate from the Shareholders to enable the Directors to repurchase the Shares. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole.

Repurchases of the Shares will be financed out of funds legally available for the purpose of and in accordance with the Articles of Association, the applicable laws of the Cayman Islands and the Listing Rules, such as the Company's available cash flow or working capital facilities. The Companies Act provides that the amount of capital repaid in connection with a repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of the Shares made for the purpose of the repurchase. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Shares are repurchased in the manner provided for in the Companies Act. Subject to the statutory solvency test set out in the Companies Act being satisfied, a repurchase of the Shares may also be made out of the share capital of the Company.

The Directors have no present intention to repurchase any Share and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders as a whole. The Directors consider that if the Repurchase Mandate is to be exercised in full at the current prevailing market value, there may be an adverse impact on the working capital or gearing position of the Company as compared to the position disclosed in the audited consolidated financial statements of the Company as at 31 December 2022, which is the date on which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the Repurchase Mandate to such extent as would,

in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

None of the Directors and to the best of the knowledge of the Directors having made all reasonable enquiries, none of the close associates (as defined under the Listing Rules) of the Directors, have a present intention to sell any Share to the Company, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

No core connected persons (as defined under the Listing Rules) have notified the Company that they have a present intention to sell any Share to the Company or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

TAKEOVERS CODE

If as a result of a repurchase of Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (as defined under the Takeovers Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become obliged to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code. The Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Repurchase Mandate.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Mr. Xiang Jie was interested in 383,458,347 Shares, representing approximately 23.52% of the total issued Shares. As at the Latest Practicable Date, among the 383,458,347 Shares, 45,130,000 Shares were directly held by Mr. Xiang and the remaining 338,328,347 Shares were directly held by Max Vision Holdings Limited. As at the Latest Practicable Date, Max Vision Holdings Limited was wholly-owned by Jiekun Limited, which was wholly-owned by Sapphire Skye Holdings Limited. As at the Latest Practicable Date, Sapphire Skye Holdings Limited was wholly-owned by Zedra Trust Company (Singapore) Limited, which was the trustee of a private trust of which Mr. Xiang was the settlor and his family members were the beneficiaries. In the event that the Directors exercise the Repurchase Mandate in full and excluding the Shares which may be issued to Mr. Xiang upon the exercise of the Share Options granted or to be granted to him, Mr. Xiang's interests in the Shares will be increased to approximately 26.13% of the total issued Shares and such increase would not give rise to an obligation to make a mandatory general offer in accordance with Rule 26 of the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent it will trigger the obligation under the Takeovers Code. The Directors are not aware of any other consequences which would arise under the Takeovers Code as a result of any repurchase by the Company of the Shares.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if such repurchase would result in less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the total number of issued shares of a company be held by the public. The Directors do not propose to repurchase the Shares which would result in less than the prescribed minimum percentage of the Shares be held by the public.

SHARE REPURCHASE MADE BY THE COMPANY

The Company had not repurchased any Share on the Stock Exchange during the six months preceding the Latest Practicable Date.
