The Issue Mandate will end on the earliest of (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by the laws of Bermuda or the Bye-laws; or (iii) the revocation or variation of such authority by ordinary resolution of the Shareholders in general meeting of the Company.

LETTER FROM THE BOARD

RE-ELECTION OF DIRECTORS

The Board consists of seven Directors, namely, Mr. Liu Kequan, Mr. Yang Dayong and Mr. Chen Zheng as executive Directors, Mr. Zhang Peidong as non-executive Director and Mr. Kwan Kei Chor, Dr. Lyu Ziang and Mr. Zhou Liangyu as independent non-executive Directors.

Pursuant to Bye-law 99(B) of the Bye-laws, at each annual general meeting one third of the Directors for the time being or, if their number is not 3 or a multiple of 3, the number nearest to one-third, shall retire from office by rotation provided that every Director shall be subject to retirement by rotation at least once every three years. Accordingly, Mr. Liu Kequan (“Mr. Liu”), Dr. Lyu Ziang (“Dr. Lyu”) and Mr. Zhang Peidong (“Mr. Zhang”) shall retire from office at the AGM and, being eligible, offer themselves for re-election.

INDEPENDENT NON-EXECUTIVE DIRECTOR NOMINATION PROCEDURES

At the coming AGM, the independent non-executive Director offering himself for re-election will be Dr. Lyu. If re-elected, the Board also intends to re-appoint him to the audit committee, the remuneration committee and the nomination committee of the Company.

The Board has delegated the role of identification and selection of potential Board members to the nomination committee of the Company (the “NC”). Following the procedures and practice set out in the Company’s nomination policy, the NC conceived Dr. Lyu’s selection through invitation from members of the Board, on which Dr. Lyu currently serves. A review of Dr. Lyu’s capacity for the appointment to the Board was made, followed by a review of his profile and background by the NC. An assessment of the merits of his re-election to the position was made by the NC. The factors the NC has taken into account include the skills, duties and leadership needs of the Board and its committees (including the mandatory requirements of the memberships of the audit committee, NC and remuneration committee of the Company), Dr. Lyu’s professional competence, skills and experience including Board experience and relevance for the Board, track record of his ability and contributions in his past service on the Board as an independent non-executive Director, length of his service on the Board, ability to exercise independent judgment, availability to continue to serve the Board having regard to any other existing directorship in other companies, listed or non-listed, as may be held by Dr. Lyu, the diversity considerations under the board diversity policy of the Company and his continued commitment in joining the Board.

LETTER FROM THE BOARD

On the recommendation of the NC (with Dr. Lyu abstaining), the Board has determined that Dr. Lyu's re-election at the AGM is in the interest of the Company, and therefore has unanimously resolved to recommend the Shareholders to re-elect Dr. Lyu at the AGM. The Board is satisfied that, *inter alia*, Dr. Lyu would continue to bring his independent perspective, management skills and experience gained in corporate management and technology sectors to the Board, and contribute to its diversity in skills, length of service, perspective and experiences. The Board has also determined Dr. Lyu to be independent after having assessed, among other things, the guidelines for assessing independence in accordance with the prevailing Rule 3.13 of the Listing Rules and his confirmation of satisfaction of the same, his track record of service as an independent non-executive Director and his personal integrity.

Further information about the Board's composition and diversity policy, Directors' attendance record at Board/committee meetings are disclosed in the Company's 2022 Annual Report.

LETTER FROM THE BOARD

RESPONSIBILITY OF THE DIRECTORS

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

RECOMMENDATION

The Directors are pleased to recommend Mr. Liu, Dr. Lyu and Mr. Zhang, details of whom are set out in Appendix II to this circular, to be re-elected as Directors at the AGM.

The Directors are of the opinion that the Repurchase Mandate, the Issue Mandate and the extension thereto and the re-election of Directors, are each in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend the Shareholders to vote in favour of the ordinary resolutions to be proposed at the AGM.

Yours faithfully,
For and on behalf of the Board of
Greater China Financial Holdings Limited
Liu Kequan
Chairman

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information for the Shareholders to consider the Repurchase Mandate.

1. SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue was 7,775,857,621 Shares.

Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that no further Shares are issued or repurchased prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 777,585,762 Shares, being 10% of the total number of issued Shares as at the Latest Practicable Date.

2. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Whilst it is not possible to anticipate in advance any specific circumstance in which the Directors might think it appropriate to repurchase Shares, they believe that an ability to do so would give the Company additional flexibility that would be beneficial to the Company and its Shareholders as such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value of the Company and its assets and/or earnings per Share. Shareholders can be assured that the Directors would only make such repurchases in circumstances where they consider them to be in the best interests of the Company and the Shareholders as a whole.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its memorandum of association and Bye-laws and the laws of Bermuda. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the funds of the company that would otherwise be available for distribution by way of dividend or distribution or the proceeds of a fresh issue of shares made for the purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the company that would otherwise be available for distribution by way of dividend or distribution or out of the share premium account of the company. In addition, under the laws of Bermuda, no repurchase by a company of its own shares may be effected if, on the date on which the repurchase is to be effected, there are reasonable grounds for believing that the company is, or after the repurchase would be, unable to pay its liabilities as they become due. In accordance with the laws of Bermuda, the shares so repurchased would be treated as cancelled but the aggregate amount of authorised share capital would not be reduced.

On the basis of the consolidated financial position of the Company disclosed in its most recent published audited financial statements and in particular the working capital position of the Company at that time and the number of Shares now in issue, the Directors consider that there might be a material adverse impact on the working capital position or the gearing position of the Company in the event that the Repurchase Mandate were to be exercised in full. No repurchase would be made in circumstances that would, in the opinion of the Directors, have a material adverse impact on the working capital position or the gearing position of the Company (as compared with the position disclosed in the latest published audited financial statements) from time to time.

4. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months up to and including the Latest Practicable Date are as follows:

	Price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2022		
April	0.180	0.175
May	0.195	0.158
June	0.179	0.165
July	0.180	0.166
August	0.180	0.168
September	0.179	0.121
October	0.147	0.117
November	0.139	0.110
December	0.135	0.123
2023		
January	0.135	0.122
February	0.135	0.111
March	0.136	0.118
April (Up to and including the Latest Practicable Date)	0.136	0.120

5. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Repurchase Mandate and in accordance with the Listing Rules, its memorandum of association and Bye-laws and the laws of Bermuda.

As at the Latest Practicable Date, none of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, their close associates have any present intention to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no core connected persons have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Mandate is granted by the Shareholders.

6. TAKEOVERS CODE

A repurchase of Shares by the Company may result in an increase in the proportionate interests of a Shareholder in the voting rights of the Company, which is treated as an acquisition of voting rights under Rule 32 of the Takeovers Code.

As at the Latest Practicable Date, the following substantial Shareholders are interested in more than 10% of the Share then in issue:

Name of shareholders	No. of Shares held	Percentage of shareholding in the Company	
		As at the Latest Practicable Date	In the event of exercise in full of the Repurchase Mandate
Mr. Liu (<i>Note 1</i>)	1,522,750,000	19.58%	21.76%
Skill Rich Limited (<i>Note 2</i>)	1,000,000,000	12.86%	14.29%

Notes:

- (1) These Shares include (i) 1,447,750,000 Shares held by Eastern Spring Global Limited and (ii) 75,000,000 Shares held by Mr. Liu. Mr. Liu is a director and the beneficial owner of the entire issued share capital of Eastern Spring Global Limited.
- (2) The interests include (i) 800,000,000 Shares and (ii) 200,000,000 underlying Shares in respect of the convertible notes in the principal amount of HK\$200 million issued by the Company with an initial conversion price at HK\$1 per Share that were held by Skill Rich Limited. Mr. Chen Zheng is a director and the beneficial owner of the entire issued share capital of Skill Rich Limited.

On the basis that no further Shares are issued or repurchased prior to the AGM, in the event that the Directors exercise in full the Repurchase Mandate, the interests of the above substantial Shareholders would be increased to such percentages of the issued share capital of the Company as set out in the fourth column of the above table. The Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any purchases made under the Repurchase Mandate. The Directors have no intention to exercise the Repurchase Mandate to an extent as may result in any Shareholder becoming obliged to make a general offer under Rule 26 of the Takeovers Code, or otherwise would result in the number of Shares held by the public falling below the prescribed minimum percentage of public float under the Listing Rules.
