## **REASONS FOR THE PLACING AND USE OF PROCEEDS**

The principal activity of the Company is investment holding. The Group is principally engaged in the developing, manufacturing and trading of premium kitchen appliances with a major focus on the PRC market.

Assuming that all the Placing Shares are fully placed, the estimated gross proceeds and net proceeds (after deducting the placing commission and other related expenses and professional fees) from the Placing will amount to approximately HK\$24.0 million and approximately HK\$23.8 million respectively. The net placing price per Placing Share will be approximately HK\$0.079.

The Company intends to apply the net proceeds from the Placing as follows:

- (a) approximately HK\$19.0 million or 80.0% of the net proceeds from the Placing towards the partial repayment of other borrowing of the Group. As at the date of this announcement, the Group had outstanding other borrowing of approximately RMB53.0 million bearing interest at 15% per annum. The intended partial repayment with the net proceeds from the Placing will reduce the Group's finance costs by approximately RMB2.85 million per year. The net proceeds from the Placing for partial repayment of other borrowing will be utilised by end of 2023; and
- (b) approximately HK\$4.8 million or 20.0% of the net proceeds from the Placing towards replenishment of the working capital of the Group to support its business operations and for the payment of its administrative expenses (mainly salaries, legal and professional expenses and office expenses). It is expected such proceeds will be utilised by end of 2023.

In the past few years, the financial performance of the Group was adversely affected by the coronavirus outbreak. The Boards believes that the Placing will reduce gearing ratio and finance costs, strengthen the cash flow position of the Group and it is also a good opportunity to broaden the Company's shareholder base.

The Board is of the view that the terms of the Placing Agreement and the transactions contemplated thereunder (including the Placing, the Placing Price and the placing commission) are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.
