AND REPURCHASE SHARES

NOTICE OF THE ANNUAL GENERAL MEETING**

**I. INTRODUCTION**

The purpose of this circular is to give you information regarding the following resolutions to be proposed at the Annual General Meeting to enable the Shareholders to make an informed decision on whether to vote for or against the resolutions, notice of which is set out on pages 84 to 89 of this circular.

---

## LETTER FROM THE BOARD

---

At the Annual General Meeting, the resolutions regarding: (i) the re-election of the Directors; (ii) the granting to the Directors general mandates for the issue and repurchase of the Shares; and (iii) the amendments to the Existing Bye-laws and adoption of the New Bye-laws.

### II. PROPOSED RE-ELECTION OF THE DIRECTORS

Pursuant to Clause 99 of the Company's Bye-laws, at each annual general meeting one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest one-third, shall retire from office by rotation save any Director holding office as Chairman or Managing Director. The Directors to retire in every year shall be those who have been longest in office since their last election, but as between persons who became Directors on the same day shall (unless they otherwise agree between themselves) be determined by lot. The retiring Directors shall be eligible for re-election. In addition, pursuant to A.4.2 of the Corporate Governance Code, all directors appointed to fill a casual vacancy should be subject to election by shareholders at the first general meeting after appointment. Every director, including those appointed for a specific term, should be subject to retirement by rotation at least once every three years.

Pursuant to Clause 102 of the Company's Bye-laws, the Company may from time to time in general meeting by Ordinary Resolution elect any person to be a Director either to fill a casual vacancy or as an addition to the Board. Any Director so appointed shall hold office only until the next following Annual General Meeting of the Company (in the case of an addition to the Board) and shall then be eligible for re-election at the meeting but shall not be taken into account in determining the Directors or the number of Directors who are to retire by rotation at such meeting.

Mr. Hui Ngok Lun, Mr. Ngan Kam Biu Stanford, Mr. Tam Chak Chi and Mr. Ma Kin Ling should retire and re-elect at the forthcoming Annual General Meeting.

Pursuant to A.4.3 of the Corporate Governance Code, any further appointment of an Independent Non- Executive Director in excess of nine years should subject to a separate resolution to be approved by shareholders.

The Directors are of the opinion that they remain independent, notwithstanding their length of tenure. They continue to demonstrate the attributes of an Independent Non-Executive Director noted above and there is no evidence that their tenure has had any impact on their independence. The Board believes that their detailed knowledge and experience of the Group's business and their external experience continue to be of significant benefit to the Company, and that they maintain an independent view of its affairs.

---

## LETTER FROM THE BOARD

---

Each of the Independent Non-Executive Directors has made an annual confirmation of independence pursuant to Rule 3.13 of the Listing Rules. The Company is of the view that all Independent Non-Executive Directors meet the independence guidelines set out in Rule 3.13 of the Listing Rules.

Details of the abovementioned Directors, Mr. Hui Ngok Lun, Mr. Ngan Kam Biu Stanford, Mr. Tam Chak Chi and Mr. Ma Kin Ling who are proposed to be re-elected at the Annual General Meeting, are set out in Appendix I to this circular. At the Annual General Meeting, ordinary resolutions will be proposed to approve the re-election of Mr. Hui Ngok Lun as Executive Director, Mr. Ngan Kam Biu Stanford, Mr. Tam Chak Chi and Mr. Ma Kin Ling as Independent Non-Executive Director of the Company.

### III. PROPOSED GRANTING OF GENERAL MANDATE TO ISSUE SHARES

At the Annual General Meeting, an ordinary resolution will be proposed that the Directors be given a general and unconditional mandate to allot, issue and deal with additional Shares representing not more than 20% of the aggregate nominal amount of the issued share capital of the Company at the date the relevant resolution is passed at the Annual General Meeting (the “Issue Mandate”).

### IV. PROPOSED GRANTING OF GENERAL MANDATE TO REPURCHASE SHARES

At the Annual General Meeting, an ordinary resolution will be proposed that the Directors be given a general and unconditional mandate to exercise all powers of the Company to repurchase on the Stock Exchange the Shares in the Company up to a maximum of 10% of the aggregate nominal amount of the issued share capital of the Company at the date the relevant resolution is passed at the Annual General Meeting (the “Repurchase Mandate”).

In addition, an ordinary resolution will be proposed at the Annual General Meeting providing that any Shares repurchased under the Repurchase Mandate (up to maximum of 10% of the issued Shares as at the date of the grant of the Repurchase Mandate) will be added to the total number of Shares which may be allotted and issued under the Issue Mandate.

The Repurchase Mandate and the Issue Mandate would continue in force until the first occurrence of either the conclusion of the next annual general meeting of the Company following the passing of the relevant resolutions unless it is renewed at such meeting or the expiration of the period within which the next annual general meeting of the Company is required by the Company’s Bye-laws or any applicable law to be held or it is revoked or varied by an ordinary resolution of the Shareholders in general meeting.

---

## LETTER FROM THE BOARD

---

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the proposed general mandate to repurchase Shares is set out in the Appendix II to this circular. The explanatory statement contains all information reasonably necessary to enable the Shareholders to make an informed decision as to whether to vote for or against the resolution at the Annual General Meeting.

### **V. PROPOSED AMENDMENTS TO THE EXISTING BYE-LAWS AND ADOPTION OF THE NEW BYE-LAWS**

As disclosed in the Company's announcement dated 29 May 2023, the Board proposes to amend the Existing Bye-laws, among other things, to (i) comply with the requirements set out in Appendix 3 to the Listing Rules for listed issuers to adopt a uniform set of 14 "Core Standards" for shareholder protections; (ii) bring the Existing Bye-laws in line with certain corporate governance requirements of the Listing Rules and the applicable law in Bermuda; and (iii) incorporate various consequential and housekeeping changes. The Board proposes that the Company adopts the New Bye-laws consisting the Proposed Amendments in substitution for, and to the exclusion of, the Existing Bye-laws in its entirety.

The legal advisers to the Company as to Hong Kong laws and Bermuda laws have respectively confirmed that the Proposed Amendments conform with the applicable requirements under the Listing Rules and do not violate the laws of Bermuda. The Company confirms that there is nothing unusual about the Proposed Amendments for a Bermuda company listed on the Stock Exchange.

The amendments to the Existing Bye-laws and the adoption of the New Bye-laws are subject to the approval of the Shareholders by way of a special resolution at the Annual General Meeting. Prior to the passing of the relevant special resolution at the Annual General Meeting and closure of the Annual General Meeting, the Existing Bye-laws shall remain valid.

This Appendix serves as an explanatory statement, as required by the Listing Rules to be sent to the Shareholders of the Company to enable the Shareholders to make informed decision whether to vote for or against the resolution at the Annual General Meeting in relation to the Repurchase Mandate.

### **1. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 2,960,140,697 Shares.

Subject to the passing of the ordinary resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 296,014,070 Shares during the period in which the Repurchase Mandate remains in force.

### **2. REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and its Shareholders to seek the Repurchase Mandate which enables the Directors to repurchase the Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and its Shareholders. The Directors have no present intention to repurchase any Shares.

### **3. DIRECTORS' DEALING AND CONNECTED PERSONS**

None of the Directors, to the best of their knowledge having made all reasonable enquiries, or any of their associates (as defined in the Listing Rules) have any present intention, if the Repurchase Mandate is approved by the Shareholders at the Annual General Meeting, to sell all of their Shares to the Company or its subsidiaries. No connected persons or their respective associates (as defined in the Listing Rules) have notified the Company that they have a present intention to sell their Shares to the Company, or have undertaken not to do so in the event that the Company is authorised to make repurchase of the Shares.

**4. FUNDING OF REPURCHASES**

Repurchases must be funded entirely from the Company's available cash flow or working capital facilities, which will be funded by resources legally available for that purpose in accordance with the Company's Bye-Laws and the laws of Bermuda. The Company is empowered by its memorandum of association and Bye-laws to purchase its Shares. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the funds of the Company that would otherwise be available for dividend or distribution or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of either the funds of the Company that would otherwise be available for dividend or distribution or out of the share premium account of the Company.

If the Repurchase Mandate is exercised in full, there might be a material adverse effect on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the Annual Report). However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company.

**5. SHARE PRICES**

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the 12 months prior to the printing of this circular were as follows:

146. Whenever the Board or the Company in general meeting has resolved that a dividend or a distribution out of contributed surplus be paid or declared, either the Board or the Company in general meeting (by Ordinary Resolution) may further resolve that such dividend or distribution out of contributed surplus be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe for securities of the Company or any other company, or in any one or more of such ways, with or without offering any rights to shareholders to elect to receive such dividend in cash, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any shareholders upon the footing of the value so fixed in order to adjust the rights of all parties and may determine that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the shareholders concerned, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend and such appointment shall be effective. Where requisite, the Board may appoint any person to sign a contract on behalf of the persons entitled to the dividend and such appointment shall be effective. The Board may resolve that no such assets shall be made available or paid to shareholders (the 'Excluded Shareholders') with registered addresses in any particular territory or territories being a territory or territories where, in the absence of compliance with registration or other special formalities, this would or might, in the opinion of the Board, be unlawful or impracticable and in such event the Board may make arrangement to sell such assets to which the Excluded Shareholders are otherwise entitled and to distribute the proceeds from such sale in Hong Kong dollars to such Excluded Shareholders pro-rata to their entitlements except that sums payable to individual Excluded Shareholders in amounts less than HK\$100 may be retained for the benefit of the Company. 147. (A) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on the share capital of the Company, the Board may further resolve:– Scrip dividends

either

- (i) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up on the basis that the shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the shareholders entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:–
  - (a) the basis of any such allotment shall be determined by the Board;
  - (b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
  - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
  - (d) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in lieu and in satisfaction thereof shares shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis.

or

(ii) that shareholders entitled to such dividend will be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Directors may think fit on the basis that the shares so allotted shall be of the same class or classes as the class or classes of shares already held by the allottee. In such case, the following provisions shall apply:–

- (a) the basis of any such allotment shall be determined by the Board;
- (b) the Board, after determining the basis of allotment, shall give not less than two weeks' notice in writing to the shareholder of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
- (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Board may determine a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

(B) The shares allotted pursuant to the provisions of paragraph (A) of this Bye-Law shall rank *pari passu* in all respects with the shares then in issue save only as regards participation:–

Unless, contemporaneously with the announcement by the Board of its proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (A) of this Bye-Law in relation to the relevant dividend or contemporaneously with its announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (A) of this Bye-Law shall rank for participation in such distribution, bonus or rights.
- (C) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (A) of this Bye-Law with full power to the Board to make such provisions as they think fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the shareholders concerned). The Board may authorise any person to enter into on behalf of all shareholders interested an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (D) The Company may upon the recommendation of the Board by Special Resolution resolve in respect of anyone particular dividend of the Company that notwithstanding the provisions of paragraph (A) of this Bye-Law a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.
- (E) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (A) of this Bye-Law shall not be made available or made to any shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination.

- (i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Bye-Law) maintain in accordance with the provisions of this Bye-Law a reserve (the “Subscription Right Reserve”) the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full such difference in respect of such additional shares as and when the same are allotted;
  - (ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than the share premium account and capital redemption reserve fund) have been used and will only be used to make good losses of the Company if and so far as is required by law;

(iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:–

(aa) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and

(bb) the nominal amount of shares in respect of which such Subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par;

and immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrant holder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, contributed surplus account, share premium account and capital redemption reserve fund) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (B) Shares allotted pursuant to the provisions of this Bye-Law shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (A) of this Bye-Law, no fraction of any share shall be allotted on exercise of the subscription rights.
- (C) The provisions of this Bye-Law as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Bye-Law without the sanction of a Special Resolution of such warrant holders or class of warrant holders.
- (D) A certificate or report by the Auditors for the time being of the Company as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

**RECORD DATES**

185. Notwithstanding any other provision of these Bye-Laws the Company or the Board may fix any date as the record date for any dividend, distribution, allotment or issue and such record date may be on or at any time before or after any date on which such dividend, distribution, allotment or issue is declared, paid or made.

**STOCK**

186. The following provisions shall have effect at any time and from time to time that they are not prohibited or inconsistent with the Statutes:

No warrants to bearer shall be issued in respect of any stock.
  - (3) The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards dividends, participation in assets on a winding up, voting at meetings, and other matters, as if they held the shares from which the stock arose, but no such privilege or advantage (except participation in the dividends and profits of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such privilege or advantage.
  - (4) Such of the provisions of these Bye-Laws as are applicable to paid up shares shall apply to stock, and the words “share” and “shareholder” therein shall include “stock” and “stockholder”.
