## **INSIDE INFORMATION** **DECREASE IN LOSS**

This announcement is made by StarGlory Holdings Company Limited (the “**Company**”), together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on the GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that based on a preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 March 2023 (the “**Reporting Period**”) and the information currently available to the Board, the Group is expected to record a loss attributable to owners of the Company within the range of HK\$10 million to HK\$15 million for the Reporting Period, representing a decrease within the range of approximately 24% to 49 % as compared to a loss attributable to owners of the Company of approximately HK\$19.8 million in the corresponding period last year.

The Board considers that the decrease in loss during the Reporting Period was primarily attributable to the increase in other income as a sum of approximately HK\$5.6 million wage subsidies under the Employment Support Scheme launched by the Government of the Hong Kong Special Administrative Region (the “**HKSAR Government**”) were received for the Group’s business activities carried out in Hong Kong during the Reporting Period. In addition, as the HKSAR Government launched a food licence holders subsidy scheme under the Anti-Epidemic Fund to provide financial relief to the food business sector which was directly affected by the social distancing measures, a total one-off subsidy of HK\$400,000 was provided to the Group and recorded as other income for being an eligible licence holder of general restaurants in operation. No such subsidies were recorded for the corresponding period last year.

As at the date of this announcement, the Company is in the course of finalizing its annual results for the Reporting Period. The information contained in this announcement is only a preliminary assessment made by the Board based on the information currently available and the unaudited consolidated management accounts of the Group, which have not been reviewed by the audit committee of the Board and have not been audited by the Company’s auditor. As the Company is still in the process of finalizing the consolidated results of the Group for the Reporting Period, the above information may be subject to amendments. Shareholders and potential investors are advised to read carefully the annual results announcement of the Group for the Reporting Period, which is expected to be published by the end of June 2023.

**Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**
