*This appendix serves as an explanatory statement to the Shareholders as required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Repurchase Mandate.*

## **REASONS FOR REPURCHASES**

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company and its Shareholders. Repurchases of Shares may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

## **SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,779,196,660 Shares. Subject to the passing of the ordinary resolution set out in item 5 of the notice of the AGM in respect of the granting of the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged as at the date of the AGM, i.e. being 5,779,196,660 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, 577,919,666 Shares, representing 10% of the total number of Shares in issue as at the date of the AGM.

## **FUNDING OF REPURCHASES**

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and the Articles of Association and the laws of the Cayman Islands which provide that the amount of capital repaid in connection with Share repurchases may only be paid out of either the capital paid up on the relevant Shares, or the Company's profits, or the proceeds of a fresh issue of Shares made for the purpose. The amount of premium payable on repurchase of Shares may only be paid out of either or both the profit of the Company or share premium account of the Company.

## **IMPACT OF REPURCHASES**

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the positions disclosed in the audited accounts contained in the Company's annual report for the year ended 31 March 2022) in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the Company's gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**TAKEOVERS CODE**

If, on the exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, Qingda Developments Limited ("**Qingda**"), a company incorporated in the British Virgin Islands and an indirect wholly-owned subsidiary of Integrity Fund, is the controlling Shareholder (as defined in the Listing Rules) and is interested in 1,905,583,473 Shares, representing approximately 32.97% of the issued share capital of the Company. In addition, to the best of the knowledge and belief of the Company, Huijin Dingsheng International Holding Company Limited ("**Huijin**"), a company incorporated in the British Virgin Islands, which is wholly-owned by Ms. Xu Ruiqiao, is a substantial Shareholder (as defined in the Listing Rules) and is interested in 1,618,143,724 Shares, representing approximately 28% of the issued share capital of the Company.

In the event that the Directors exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate (presuming there is no other change in the issued share capital of the Company), the shareholding of Qingda and Huijin will increase from approximately 32.97% to 36.64% and 28% to 31.11% of the issued share capital of the Company respectively, and such increases would give rise to an obligation to make a mandatory offer to shareholders under Rules 26 and 32 of the Takeover Code. The Directors have no intention to repurchase any Shares to the extent that it will trigger the obligations under the Takeover Code to make a mandatory offer.

Save as aforesaid, the Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the Repurchase Mandate.

The Listing Rules prohibit a company from making repurchase of shares on the Stock Exchange if the result of the repurchase would be that less than 25% (or such other prescribed minimum percentage as determined by the Stock Exchange) of the number of the company's issued shares would be in public hands. The Directors therefore will not propose to repurchase Shares if it would result in less than the prescribed minimum percentage of Shares in public hands.
