PROFIT WARNING

This announcement is made by ELL Environmental Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited consolidated management accounts of the Group (“**Management Accounts**”) for the six months ended 30 June 2023 (“**HY2023**”), the Group expects to record a loss before tax of not less than HK\$3.0 million for HY2023 as compared with a profit before tax of HK\$5.0 million for the six months ended 30 June 2022 (“**HY2022**”).

The Board considers that such turnaround of the Group’s results was mainly attributed to the increase in (a) distribution and selling expenses in relation to the development of biofuel pellet production businesses in Jambi, Indonesia, and (b) finance costs in relation to the development of the power supply project in Bangka, Indonesia.

The information contained in this announcement is based solely on a preliminary assessment by the Board by reference to the Management Accounts for HY2023 along with the information currently available to the Company, which have neither been audited nor reviewed by the Company's independent auditors or the audit committee of the Board. Further details of the Group's financial results and performance will be disclosed in the interim results announcement of the Company for HY2023, which is expected to be published on 30 August 2023. The Company's interim report for HY2023 will be published subsequently in the manner as required by the Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.

For and on behalf of
ELL Environmental Holdings Limited
