The Company has been advised by its legal advisers that the Proposed Amendments are not inconsistent with the requirements of the Listing Rules and do not violate the laws of the Cayman Islands. This appendix serves as an explanatory statement as required by the Listing Rules to provide the requisite information to you for your consideration of the proposal of the Repurchase Mandate.

GENERAL MANDATE TO REPURCHASE SHARES

At the AGM, an ordinary resolution will be proposed that the Directors be given a general and unconditional mandate to exercise all the powers of the Company to repurchase Shares up to a maximum of 10% of the total number of Shares in issue at the date of the passing of the resolution to approve the Repurchase Mandate, such total number to be subject to adjustment in the case of any conversion of any or all of the Shares into a larger or smaller number of shares of the Company after the passing of such resolution.

The Repurchase Mandate will continue to be in force until (i) the conclusion of the next annual general meeting of the Company; or (ii) the expiration of the period within which the next annual general meeting of the Company is required to be held by any applicable laws of the Cayman Islands or the Articles; or (iii) the revocation by ordinary resolution of Shareholders in general meeting, whichever is the earlier.

(a) Share capital

As at the Latest Practicable Date, the number of Shares in issue was 6,043,950,000 Shares. Accordingly, the exercise of the Repurchase Mandate in full (being the repurchase of 10% of the Shares in issue at the date of the passing of the resolution to approve the Repurchase Mandate) would enable the Company to repurchase 604,395,000 Shares (assuming no Share is issued or repurchased after the Latest Practicable Date and up to the date of the passing of the relevant resolution).

(b) Source of funds

Repurchases must be funded out of funds legally available for the purpose in accordance with the Articles and the laws of the Cayman Islands. Under the laws of the Cayman Islands, any repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose of the repurchase. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of the profits of the Company or from sums standing to the credit of the share premium account of the Company. Subject to the provisions of the Companies Act, a repurchase may also be made out of capital.

(c) Reasons for repurchases

The Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

(d) Funding of repurchases

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum and Articles, the Listing Rules and the applicable laws of the Cayman Islands.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited financial statements as at 31 March 2023) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as it would, in the circumstances, have a material adverse effect on the working capital requirements of the Group or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Group.

(e) General

As at the Latest Practicable Date, none of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their close associates (as defined in the Listing Rules) have any present intention to sell any Share to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, no core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Articles, the Listing Rules and the applicable laws of the Cayman Islands.

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. To the best of the knowledge and belief of the Directors, Sky League Limited, which is wholly owned by Wang Fang, is interested in 1,294,370,000 Shares, representing approximately 21.42% of the total number of issued Shares as at the Latest Practicable Date. In the event that the Directors should exercise in full the power to repurchase the Shares which is proposed to be granted pursuant to the Repurchase Mandate, assuming the present shareholding otherwise remained the same, the interests of Sky League Limited in the Company would be increased to approximately 23.80% of the total number of issued Shares. In the opinion of the Directors, such increase may not give rise to an obligation to make a mandatory offer under Rule 26 of the Takeovers Code. The Directors are not aware of any consequences which will arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate.

The Directors have no present intention to exercise the power to repurchase Shares to the extent that the total number of issued Shares in public hands would be reduced to less than 25%.

No repurchase of Shares (whether on the Stock Exchange or otherwise) has been made by the Company or any of its subsidiaries during the six months preceding the Latest Practicable Date.

The Directors may authorise any person to enter on behalf of all shareholders interested in a capitalisation issue any agreement with the Company or other(s) providing for such capitalisation and matters in connection therewith and any agreement made under such authority shall be effective and binding upon all concerned. Subject as aforesaid, if any shares or securities are purchased cum dividend or interest, such dividend or interest may at the discretion of the Directors be treated as revenue, and it shall not be obligatory to capitalise the same or any part thereof or to apply the same towards reduction of or writing down the book cost of the asset, business or property acquired.
- (C) Subject to paragraph (D) of this Article all dividends and other distributions in respect of shares in the Company shall be stated and discharged, in the case of shares denominated in Hong Kong dollars, in Hong Kong dollars, and in the case of shares denominated in United States dollars, in United States dollars, provided that, in the case of shares denominated in Hong Kong dollars, the Directors may determine in the case of any distribution that shareholders may elect to receive the same in United States dollars or any other currency selected by the Directors, converted at such rate of exchange as the Directors may determine.
- (D) If, in the opinion of the Directors, any dividend or other distribution in respect of shares or any other payment to be made by the Company to any shareholder is of such a small amount as to make payment to that shareholder in the relevant currency impracticable or unduly expensive either for the Company or the shareholder then such dividend or other distribution or other payment may, at the absolute discretion of the Directors, be, if this be practicable, converted at such rate of exchange as the Directors may determine and paid or made in the currency of the country of the relevant shareholder (as indicated by the address of such shareholder on the Register).

The Directors may further authorise any person to enter into on behalf of all shareholders having an interest in any agreement with the Company or other(s) providing for such dividend and matters in connection therewith and any such agreement made under such authority shall be effective. The Directors may resolve that no such assets shall be made available or made to shareholders with registered addresses in any particular territory or territories being a territory or territories where, in the absence of a registration statement or other special formalities, this would or might, in the opinion of the Directors, be unlawful or impracticable or the legality or practicality of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of shares of the shareholder concerned and in any such event the only entitlement of the shareholders aforesaid shall be to receive cash payments as aforesaid. Shareholders affected as a result of exercise by the Directors of their discretion under this Article shall not be, and shall be deemed not to be, a separate class of shareholders for any purposes whatsoever.

160. (A) Whenever the Directors or the Company in general meeting has ^{scrip dividend} resolved that a dividend be paid or declared on the share capital of the Company, the Directors may further resolve:

either

(i) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid on the basis that the shares so allotted shall be of the same class or classes as the class or classes already held by the allottee, provided that the shareholders entitled thereto will be entitled to elect to receive such dividend (or part thereof) in cash in lieu of such allotment. In such case, the following provisions shall apply:

(a) the basis of any such allotment shall be determined by the Directors;

(b) the Directors, after determining the basis of allotment, shall give not less than fourteen (14) clear days' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

(c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and

(d) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in lieu and in satisfaction thereof shares shall be allotted credited as fully paid to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Directors shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, or share premium account (if there be any such reserve)) as the Directors may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the non-elected shares on such basis;

or

- (ii) that shareholders entitled to such dividend will be entitled to elect to receive an allotment of shares credited as fully paid in lieu of the whole or such part of the dividend as the Directors may think fit on the basis that the shares so allotted shall be of the same class or classes as the class or classes of shares already held by the allottee. In such case, the following provisions shall apply:
- (a) the basis of any such allotment shall be determined by the Directors;
 - (b) the Directors, after determining the basis of allotment, shall give not less than fourteen (14) clear days' notice in writing to the shareholders of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (c) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares shall be allotted credited as fully paid to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Directors shall capitalise and apply out of any part of the undivided profits of the Company or any part of any of the Company's reserve accounts (including any special account, contributed surplus account, share premium account and capital redemption reserve fund (if there be any such reserve)) as the Directors may determine, a sum equal to the aggregate nominal amount of the shares to be allotted on such basis and apply the same in paying up in full the appropriate number of shares for allotment and distribution to and amongst the holders of the elected shares on such basis.

- (B) The shares allotted pursuant to the provisions of paragraph (A) of this Article shall rank *pari passu* in all respects with the shares then in issue and held by the allottee in respect of which they were allotted, save only as regards participation:
- (i) in the relevant dividend (or the right to receive or to elect to receive an allotment of shares in lieu thereof as aforesaid); or
 - (ii) in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Directors of their proposal to apply the provisions of sub-paragraph (i) or (ii) of paragraph (A) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Directors shall have specified that the shares to be allotted pursuant to the provisions of paragraph (A) of this Article shall rank for participation in such distribution, bonus or rights.
- (C) The Directors may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (A) of this Article with full power to the Directors to make such provisions as they think fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the shareholders concerned), and no shareholders who will be affected thereby shall be, and they shall be deemed not to be, a separate class of shareholders for any purposes whatsoever. The Directors may authorise any person to enter into on behalf of all shareholders interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.
- (D) The Company may upon the recommendation of the Directors by Ordinary Resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (A) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

- (E) The Directors may on any occasion determine that rights of election and the allotment of shares under paragraph (A) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of such rights of election or the allotment of shares would or might be unlawful or impracticable or the legality or practicability of which may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of shares of the shareholder concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no shareholder who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of shareholders for any purposes whatsoever.
161. The Directors may, before recommending any dividend, set aside out of the profits of the Company such sums as they think fit as a reserve or reserves which shall, at the discretion of the Directors, be applicable for meeting claims on or liabilities of the Company or contingencies or for paying off any loan capital or for equalising dividends or for any other purpose to which the profits of the Company may be properly applied, and pending such application may, at the like discretion, either be employed in the business of the Company or be invested in such investments (including in the repurchase by the Company of its own securities or the giving of any financial assistance for the acquisition of its own securities) as the Directors may from time to time think fit, and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Directors may also without placing the same to reserve carry forward any profits which they may think prudent not to distribute by way of dividend. Reserves
162. Unless and to the extent that the rights attached to any shares or the terms of issue thereof otherwise provide, all dividends shall (as regards any shares not fully paid throughout the period in respect of which the dividend is paid) be apportioned and paid pro rata according to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid. Every cheque, warrant, certificate or other document or evidence of title so sent shall be made payable to the order of the person to whom it is sent or, in the case of certificates or other documents or evidence of title as aforesaid, in favour of the shareholder(s) entitled thereto, and the payment on any such cheque or warrant by the banker upon whom it is drawn shall operate as a good discharge to the Company in respect of the dividend and/or other moneys represented thereby, notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Every such cheque, warrant, certificate or other document or evidence of title as aforesaid shall be sent at the risk of the person entitled to the dividend, money, bonus, rights and other distributions represented thereby. Documents

- (a) any share certificate which has been cancelled at any time after the expiry of one year from the date of such cancellation;

- (c) any instrument of transfer of shares which has been registered at any time after the expiry of six years from the date of registration; and
- (d) any other document, on the basis of which any entry in the register of members of the Company is made, at any time after the expiry of six years from the date on which an entry in the register was first made in respect of it;

and it shall conclusively be presumed in favour of the Company that every share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company. Provided always that:

- (i) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim;
- (ii) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and
- (iii) references in this Article to the destruction of any document include reference to its disposal in any manner.

SUBSCRIPTION RIGHT RESERVE

195. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Statutes:

Subscription right
reserve

- (A) If, so long as any of the rights attaching to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions applicable under the terms and conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:
 - (i) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Right Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (iii) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Right Reserve in paying up in full the amount of the shortfall referred to in sub-paragraph (iii) in respect of such additional shares as and when the same are allotted;

- (ii) the Subscription Right Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than the share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
- (iii) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the shortfall between:
 - (aa) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (bb) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par; and
 - (cc) immediately upon such exercise so much of the sum standing to the credit of the Subscription Right Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrant holder; and

- (iv) if upon the exercise of the subscription rights represented by any warrant the amount standing to the credit of the Subscription Right Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such shortfall as aforesaid to which the exercising warrant holder is entitled, the Directors shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted or not prohibited by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment up and allotment, the exercising warrant holder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Directors may think fit and adequate particulars thereof shall be made known to each relevant exercising warrant holder upon the issue of such certificate.
- (B) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted or which ought to be allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (A) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.
- (C) The provisions of this Article as to the establishment and maintenance of the Subscription Right Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating, the provisions for the benefit of any warrant holder or class of warrant holders under this Article without the sanction of a Special Resolution of such warrant holder(s) or class of warrant holders.

- (D) A certificate or report by the Auditors as to whether or not the Subscription Right Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Right Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrant holders credited as fully paid, and as to any other matter concerning the Subscription Right Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrant holders and shareholders.

STOCK

196. The following provisions shall have effect at any time and from time to time that they are not prohibited by or inconsistent with the Statutes:

Conversion of shares
into stock

- (i) The Company may by Ordinary Resolution convert any fully paid shares into stock, and may from time to time by like resolution reconvert any stock into fully paid shares of any denomination.
- (ii) The holders of stock may transfer the same or any part thereof in the same manner, and subject to the same regulations as and subject to which the shares from which the stock arose might prior to conversion have been transferred or as near thereto as circumstances admit, but the Directors may from time to time, if they think fit, fix the minimum amount of stock transferable and restrict or prohibit the transfer of fractions of that minimum, but so that such minimum shall not exceed the nominal amount of the shares from which the stock arose. No warrants to bearer shall be issued in respect of any stock.
- (iii) The holders of stock shall, according to the amount of the stock held by them, have the same rights, privileges and advantages as regards dividends, participation in assets on a winding up, voting at meetings, and other matters, as if they held the shares from which the stock arose, but no such rights, privileges or advantages (except participation in the dividends and profits and in the assets on winding up of the Company) shall be conferred by an amount of stock which would not, if existing in shares, have conferred such rights, privileges or advantages.
- (iv) Such of the provisions of these Articles as are applicable to fully paid shares shall apply to stock, and the words “share” and “shareholder” herein shall include “stock” and “stockholder” and “member”.
