Annual Caps under the Framework Tenancy Agreements

The Framework Tenancy Agreements comprise the Lessee Framework Agreement and the Lessor Framework Agreement.

For the financial year ending 31 December 2024, the annual cap under the Lessee Framework Agreement is RMB80 million. Such annual cap is determined with reference to: (i) the estimated aggregated annual rental, market turnover rent ratio and property management fees payable under the relevant Tenancy and Property Service Agreements which are estimated to be entered into by Fosun International and/or its associates (excluding members of the Group unless such members are also Connected Subsidiaries of the Company under the Hong Kong Listing Rules, in which case such members shall be included) and the Company and/or its subsidiaries in accordance with the terms of the Lessee Framework Agreement; (ii) the amount involved under the previous lessee framework agreement and (iii) allowing a reasonable buffer to cater for possible increases in the number of the lease transactions and in the amount of rental, market turnover rent ratio and property management fees payable. For the financial year ending 31 December 2023, the annual cap and actual transaction amount incurred up to 31 October 2023 (unaudited) under the previous lessee framework agreement were RMB80 million and RMB40.20 million, respectively.

For the financial year ending 31 December 2024, the annual cap under the Lessor Framework Agreement is RMB10 million. Such annual cap is determined with reference to: (i) the estimated aggregated annual rental and property service fees payable under the relevant Tenancy and Property Service Agreements which are estimated to be entered into by Fosun International and/or its associates (excluding members of the Group unless such members are also Connected Subsidiaries of the Company under the Hong Kong Listing Rules, in which case such members should be included) and the Company and/or its subsidiaries in accordance with the terms of the Lessor Framework Agreement; (ii) the amount involved under the previous lessor framework agreement and (iii) allowing a reasonable buffer to cater for possible increases in the number of the lease transactions and in the amount of rental and property service fees payable. For the

financial year ending 31 December 2023, the annual cap and actual transaction amount incurred up to 31 October 2023 (unaudited) under the previous lessor framework agreement were RMB40 million and RMB1.20 million, respectively.

Reasons for and Benefits of Entering into the Framework Tenancy Agreements

The size and location of the Fosun International Premises are appropriate and feasible for conducting the Group's business operations, while the size and location of the Fosun Pharma Premises meet the business needs of Fosun International and/or its associates and will provide stable income to the Group.

The Directors (including the independent non-executive Directors) consider that the terms of each of the Framework Tenancy Agreements are on normal commercial terms and are fair and reasonable, and the entering into of the Framework Tenancy Agreements is in the ordinary and usual course of business of the Group and in the interests of the Group and the Shareholders as a whole.

As Mr. Wu Yifang, Mr. Wang Kexin, Ms. Guan Xiaohui, Mr. Chen Qiyu, Mr. Yao Fang, Mr. Xu Xiaoliang and Mr. Pan Donghui hold certain positions in Fosun International and/or its associates (excluding the Group), they have abstained from voting on the resolutions of the Board to approve the annual caps under the Framework Tenancy Agreements and the transactions contemplated thereunder. Save as disclosed above, other Directors did not have any material interest in the Framework Tenancy Agreements, and the remaining 5 Directors (including 4 independent non-executive Directors) participated in the voting and approved the relevant resolutions unanimously.

| Services provided by Fosun International and/or its associates to the Group | 100 | 47.36 |
| Total | 290 | 91.23 |

Reasons for and Benefits of Entering into the Fosun International Mutual Supply Framework Agreement

Entering into the Fosun International Mutual Supply Framework Agreement is mainly to provide the Group with a transactional framework with Fosun International and/or its associates to address the needs for products and services arising from time to time in the Group's ordinary course of operation. The products and services that may be supplied by the Group under the Fosun International Mutual Supply Framework Agreement fall within the ordinary and usual course of business of the Group, and the products and services that may be acquired by the Group under such agreement are what the Group may require from time to time in the ordinary course of its normal business operations. In addition, the products and services which the Group may source under the Fosun International Mutual Supply Framework Agreement provides the Group with more alternatives.

The Directors (including the independent non-executive Directors) consider that the terms of the Fosun International Mutual Supply Framework Agreement are on normal commercial terms and are fair and reasonable, and the entering into the Fosun International Mutual Supply Framework Agreement is in the ordinary and usual course of business of the Group and in the interests of the Group and the Shareholders as a whole.

As Mr. Wu Yifang, Mr. Wang Kexin, Ms. Guan Xiaohui, Mr. Chen Qiyu, Mr. Yao Fang, Mr. Xu Xiaoliang and Mr. Pan Donghui hold certain positions in Fosun International and/or its associates (excluding the Group), they have abstained from voting on the resolutions of the Board to approve the annual caps under the Fosun International Mutual Supply Framework Agreement and the transactions contemplated thereunder. Save as disclosed above, other Directors did not have any material interest in the Fosun International Mutual Supply Framework Agreement, and the remaining 5 Directors (including 4 independent non-executive Directors) participated in the voting and approved the relevant resolutions unanimously.

INTERNAL CONTROL PROCEDURES FOR THE GROUP

Pursuant to the requirements of Chapter 14A of the Hong Kong Listing Rules, the Company will disclose in its annual report the review by the Board (including independent non-executive Directors) of the continuing connected transactions entered into every year (including the continuing connected transactions under the Framework Tenancy Agreements and the Fosun International Mutual Supply Framework Agreement) and confirm that the transactions have been entered into in the ordinary and usual course of business of the Group, in accordance with the relevant agreements governing such transactions on terms (which are normal commercial terms or better to the Group) that are fair and reasonable, and in the interests of the Shareholders of the Company as a whole.

Independent auditors will also review the continuing connected transactions entered into (including the continuing connected transactions under the Framework Tenancy Agreements and the Fosun International Mutual Supply Framework Agreement) and issue a letter to the Board every year. The conclusion of such review by the auditors will be disclosed in the annual report.

In addition, as part of the Group's internal control systems to ensure that the continuing connected transactions under the Framework Tenancy Agreements and the Fosun International Mutual Supply Framework Agreement are conducted in accordance with the terms under the Framework Tenancy Agreements and the Fosun International Mutual Supply Framework Agreement (including but not limited to the pricing policy), the Company has implemented the following internal control procedures.

- (a) the Company has formulated the Connected Transaction Management System which sets out the internal control framework and requirements with respect to connected transactions of the Group. All divisions of the Company and subsidiaries of the Company must follow the requirements under the Connected Transaction Management System.
- (b) the management of the Company will closely review the leases, products and services incurred under the Framework Tenancy Agreements and the Fosun International Mutual Supply Framework Agreement through ongoing and timely enquiries, with a view to monitoring and ensuring that the total transaction amounts of leases, products and services are within the annual caps.
- (c) the management of the Company will conduct regular reviews and random inspections to verify whether the price of the connected transactions is in compliance with the above pricing principles including reviewing the transaction records of the Group for similar services.

- (d) If the annual caps need to be adjusted due to business development needs or other reasons, arrangements will be made in advance and the relevant requirements of the Hong Kong Listing Rules will be strictly complied with.

The Directors are of the view that the above methods and procedures can ensure that the pricing and other contract terms for the Group's continuing connected transactions are entered into on normal commercial terms in the ordinary and usual course of business of the Group, fair and reasonable and in the interests of the Company and the Shareholders and that the continuing connected transactions are conducted in accordance with the Framework Tenancy Agreements and the Fosun International Mutual Supply Framework Agreement and in compliance with Chapter 14A of the Hong Kong Listing Rules.
