**MAJOR TRANSACTION
ENGINEERING, PROCUREMENT AND
CONSTRUCTION CONTRACT RELATING TO A 125MW
WIND POWER GENERATION PROJECT IN
TIANJIN, THE PRC**

THE EPC CONTRACT

On 3 April 2024 (after trading hours), Jingbu, a non wholly-owned subsidiary of the Company, as the principal, entered into the EPC Contract with the Consortium, as the contractors. Pursuant to the EPC Contract, the Consortium will provide EPC services to Jingbu for the construction of the EPC Project. The contract price under the EPC Contract amounted to approximately RMB819 million (tax inclusive).

LISTING RULES IMPLICATIONS

As the highest applicable percentage ratio in respect of the EPC Contract exceeds 25% but is less than 100%, the EPC Contract constitutes a major transaction of the Company and is therefore subject to the reporting, announcement, circular and the Shareholders' approval requirements under Chapter 14 of the Listing Rules.

GENERAL

The SGM will be convened by the Company to seek the Shareholders' approval of the EPC Contract and the transactions contemplated thereunder.

A circular containing, among other things, (i) further details of the EPC Contract; (ii) the notice of SGM; and (iii) other information as required under the Listing Rules, is expected to be despatched to the Shareholders on or before 31 May 2024 as the Company needs more time to prepare and finalize information to be included in the circular.

As the EPC Contract may or may not proceed, Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.

INTRODUCTION

The Board is pleased to announce that on 3 April 2024 (after trading hours), Jingbu, a non wholly-owned subsidiary of the Company, as the principal, entered into the EPC Contract with the Consortium, as the contractors. Pursuant to the EPC Contract, the Consortium will provide EPC services to Jingbu for the construction of the EPC Project. The contract price under the EPC Contract amounted to approximately RMB819 million (tax inclusive).

THE EPC CONTRACT

The principal terms of the EPC Contract are set out as below:

Date: 3 April 2024 (after trading hours)

Parties: (i) Jingbu (as the principal)
(ii) Consortium (as the contractors)

Subject Matter: The Consortium agreed to serve as the EPC contractors to provide EPC services to Jingbu for the construction of the EPC Project. The EPC services under the EPC Contract include, among others, the survey, design, procurement of equipment and materials, construction, installation, testing, acceptance works and provision of services related to the warranty of the entire system during the warranty period of the EPC Project.

The Consortium shall implement and complete the construction of the EPC Project in accordance with the EPC Contract and remedy any failure or defects during the one-year warranty period of the EPC Project carried out under the EPC Contract.

Construction Period: The construction of the EPC Project shall commence upon the written notice from Jingbu, and is expected to complete within 415 calendar days from the date on which the written notice has been served under the EPC Contract.

Contract Price and
Payment Method:

The contract price under the EPC Contract is approximately RMB819 million (tax inclusive) which consists of construction payment, installation payment, equipment and materials payment and other fees, the details of the payment structure are as follows:

Payments & fees	<i>Approximately RMB' million</i>
1. Construction payment	230
2. Installation payment	97
3. Equipment and materials payment	336
4. Other fees	<u>156</u>
Total	<u><u>819</u></u>

The payment shall be settled as follows:

(i) Advance Payment

20% of the contract price under the EPC Contract (representing approximately RMB164 million (tax inclusive)) as advance payment (the “**Advance Payment**”) shall be paid to the Consortium upon the fulfillment of the following conditions, including (i) the EPC Contract being signed and effective; (ii) the receipt of the letter of performance guarantee (equivalent to 10% of the contract price under the EPC Contract, and is irrevocable and payable on demand) and the letter of advance payment guarantee (equivalent to 10% of the contract price under the EPC Contract, and is payable on demand); and (iii) the issue of valid receipts with equivalent amounts by the Consortium to Jingbu.

(ii) Milestone Payment

Based on the progress of the project and the receipt of the relevant invoice(s), Jingbu shall pay to the Consortium with respect to construction payment, installation payment, equipment and materials payment and other fees. In furtherance to the above, Jingbu shall pay up to 97% of the construction payment, 97% of the installation payment, 95% of the equipment and materials payment and 95% of the other fees (representing an aggregate sum of up to approximately RMB785 million (tax inclusive), inclusive of the Advance Payment) upon the fulfilment of certain conditions set out under the EPC Contract, including, among others, completion of settlement audit for the EPC Project, and special value-added tax invoice(s) issued by the Consortium.

(iii) Quality Assurance Fund

3% of the construction payment, 3% of the installation payment, 5% of the equipment and materials payment and 5% of other fees (representing an aggregate sum of approximately RMB34 million (tax inclusive)) under the EPC Contract shall be retained by Jingbu as quality assurance fund and be paid to the Consortium (after deduction of any part thereof pursuant to the EPC Contract) until the expiration of the one-year warranty period, which is one year starting from the date of the acceptance of the construction of the EPC Project subject to the fulfillment of the following conditions:

- (1) resolving all defects of the construction works within the warranty period and a quality confirmation letter issued by Jingbu;
- (2) meeting the agreed technical standards stated in the EPC Contract. If there is quality issue, the Consortium shall complete the quality repairs in accordance with the EPC Contract; and
- (3) before the expiration of the warranty period under the EPC Contract, with respect to any equipment with warranty period exceeding one year, the unconditional transfer of the rights to the quality assurance obligation of the relevant suppliers of such equipment by the Consortium to Jingbu. All contracts for procurement of equipment and materials signed by the Consortium shall specify the warranty period, technical parameters for quality assurance and Jingbu as the party to whom the relevant supplier is responsible. Before the handover of the EPC Project to Jingbu, the Consortium is responsible for coordinating with the equipment supplier for warranty-related matters.

Performance Guarantee:

Under the EPC Contract, the Consortium shall provide a letter of performance guarantee issued by a commercial bank (as agreed upon by Jingbu) with an amount equivalent to 10% of the contract price under the EPC Contract (the “**Letter of Performance Guarantee**”) within 30 days after the EPC Contract becomes effective, to guarantee the due performance by the Consortium of their obligations under the EPC Contract.

The validity period of the Letter of Performance Guarantee shall expire upon the completion and settlement of the EPC Project.

In the event the provision of the Letter of Performance Guarantee is overdue by more than 60 days, Jingbu is entitled to terminate the EPC Contract and the Consortium will be responsible for any losses incurred thereunder.

Advance Payment
Guarantee:

Under the EPC Contract, after the EPC Contract becomes effective and prior to Jingbu's payment of the Advance Payment to the Consortium, the Consortium shall provide a letter of advance payment guarantee issued by a commercial bank (as agreed upon by Jingbu) with an amount equivalent to 10% of the contract price under the EPC Contract, to guarantee that the Advance Payment will be used in accordance with the terms of the EPC Contract.

The letter of advance payment guarantee shall be released once the Advance Payment is fully utilised along the progress of the project in accordance with the terms of the EPC Contract.

Escrow Account:

The Consortium shall establish an escrow account (the "**Escrow Account**") for receiving certain payments under the EPC Contract, which shall be jointly managed by Jingbu and the Consortium, and subject to the terms specified in the EPC Contract. The usage of the fund in the Escrow Account shall be approved by Jingbu and for the sole purpose of performing the EPC Project.

The Group shall perform the rights and obligations under the EPC Contract subject to the approval by the Shareholders and other approvals required under the Listing Rules.

BASIS FOR DETERMINATION OF THE CONTRACT PRICE UNDER THE EPC CONTRACT

The contract price under the EPC Contract was determined by the parties after arm's length negotiation and through a tendering selection process. In particular, the Company has considered the following factors during the selection of the contractors and the determination of the relevant contract price: (i) the design and construction proposal submitted; (ii) the track record of the candidates of contractors on performing similar projects; (iii) the size of operation, manpower and financial performance of the candidates of contractors; (iv) the expected power capacity (measured in MW) of the EPC Project; and (v) the prevailing market price of the provision of similar EPC services.

REASONS FOR AND BENEFITS OF ENTERING INTO THE EPC CONTRACT

Having considered the development and the expected return from the investment in wind power generation in the renewable energy industry in the PRC, the Company is optimistic about the prospect of such industry in the foreseeable future. Surrounding the national large bases plan, the layout of large-scale wind power generation bases in “Northeast China, North China and Northwest China” is expected to be accelerated.

The Group has accelerated the pace of scale expansion development of clean energy and expansion of the scale of the wind power business, which has been one of the key focuses of the Group in this regard. To the best of the Directors’ knowledge, Powerchina Hebei and Beijing Engineering are well-established companies with substantial experience in the construction and development of renewable energy power generation projects in the PRC. The entering into of the EPC Contract would be in line with the national policies in terms of layout of sizeable power bases and will enable the Company to further expand its scale of business in wind power station in the renewable energy industry and diversify the clean energy portfolio through the construction of quality wind power generation projects so as to enhance returns to the Shareholders.

In view of the above, the Directors have reviewed the EPC Contract and are of the view that the terms and conditions of the EPC Contract are fair and reasonable and the transaction contemplated thereunder is entered into on normal commercial terms and in the interests of the Company and the Shareholders as a whole.

LISTING RULES IMPLICATIONS

As the highest applicable percentage ratio in respect of the EPC Contract exceeds 25% but is less than 100%, the EPC Contract constitutes a major transaction of the Company and is therefore subject to the reporting, announcement, circular and the Shareholders’ approval requirements under Chapter 14 of the Listing Rules.
