**JD.com Announces Completion of US\$2.0 Billion Convertible Senior Notes**

BEIJING, May 23, 2024—JD.com, Inc. (“JD” or the “Company”) (NASDAQ: JD and HKEX: 9618 (HKD counter) and 89618 (RMB counter)), a leading supply chain-based technology and service provider, today announced the completion of its offering of convertible senior notes (the “Notes Offering”) in an aggregate principal amount of US\$2.0 billion due 2029 (the “Notes”), including the initial purchasers’ full exercise of option to purchase an additional US\$250 million in aggregate principal amount of the Notes. The Notes have been offered to persons reasonably believed to be qualified institutional buyers in reliance on the exemption from the registration requirement provided by Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”) and certain non-U.S. persons in offshore transactions in reliance on Regulation S under the Securities Act.

The Company plans to use the net proceeds from the Notes Offering (a) for repurchase of American depository shares (“ADSs”), each representing two Class A ordinary shares, concurrently with the pricing of the Notes, from certain purchasers of the Notes in off-market privately negotiated transactions effected through one of the initial purchasers or its affiliates, as the Company’s agent, and repurchases on the open market, after the pricing of the Notes and from time to time, additional Class A ordinary shares and/or American depository shares (“ADSs”), each representing two Class A ordinary shares, of the Company pursuant to its share repurchase program(s), (b) to expand its overseas business, (c) to further improve its supply chain network, and (d) for working capital needs.

The Notes will be senior, unsecured obligations of the Company and bear interest at a rate of 0.25% per year, payable semiannually in arrears on June 1 and December 1 of each year, beginning on December 1, 2024. The Notes will mature on June 1, 2029, unless earlier redeemed, repurchased or converted in accordance with their terms prior to such date. The initial conversion rate of the Notes is 21.8830 ADSs per US\$1,000 principal amount of Notes, which is equivalent to an initial conversion price of approximately US\$45.70 per ADS.

The Notes, the ADSs deliverable upon conversion of the Notes, if any, and the Class A ordinary shares represented thereby or deliverable upon conversion of Notes in lieu thereof have not been and will not be registered under the Securities Act or securities laws of any other places. They may not be offered or sold within the United States or to U.S. persons, except to persons reasonably believed to be qualified institutional buyers in reliance on the exemption from registration provided by Rule 144A under the Securities Act and to certain non-U.S. persons in offshore transactions in reliance on Regulation S under the Securities Act.

This press release shall not constitute an offer to sell or a solicitation of an offer to purchase any securities, nor shall there be a sale of the securities in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful.
