REASONS FOR AND BENEFITS OF THE SUBSCRIPTION OF STRUCTURED DEPOSIT PRODUCT

The Company's subscription of the structured deposit product by reasonable and effective use of certain portion of its temporary idle funds from self-owned funds generated from daily operation is beneficial for enhancing the overall capital gain of the Group, which is consistent with the core objectives of the Company to safeguard its capital and ensure liquidity. It is expected that the impact of risk factors in connection with the expected return of the above-mentioned structured deposit product is low, while the Group can enjoy a higher return compared with fixed term deposits in commercial banks in the PRC.

The Directors (including the independent non-executive Directors) are of the view that the above-mentioned Ping An Bank Structured Deposit Product Agreement is made on normal commercial terms, is fair and reasonable and in the interest of the Company and its shareholders as a whole.

IMPLICATIONS UNDER THE LISTING RULES

When entering into the Ping An Bank Structured Deposit Product Agreement with respect to the subscription amount of the product under the Ping An Bank Structured Deposit Product Agreement, one or more of the applicable percentage ratios (as defined under Rule 14.07 of the Listing Rules) exceeds 5% but all of the ratios are below 25%. As such, the transaction constitute disclosable transaction of the Company and is subject to the reporting and announcement requirements but is exempt from the shareholders' approval requirement under Chapter 14 of the Listing Rules.
