REASONS FOR AND BENEFITS OF THE LOAN AGREEMENTS

The Loans facilitate the operation of Tianping College and support the conversion process of Tianping College into a standalone private ordinary college. Since the successful tender by the Group for the acquisition of sponsorship interest of Tianping College in 2019, details of which are set out in the announcements of the Company dated 23 July 2019 and 20 August 2019 and the circular of the Company dated 18 January 2022, the Group has been actively working on the conversion of Tianping College into a standalone private ordinary college, including building a new campus for Tianping College pursuant to the acquisition transaction documents to fulfil the requirements of the conversion process and setting up teaching facilities and equipment. The terms of the Loan Agreements were negotiated on an arm's length basis between Henan Shangqiu and Tianping College, taking into account the construction progress and operating expenses of Tianping College for FY2022, FY2023 and FY2024. Once the conversion is complete, Tianping College will become a consolidated affiliated entity of the Group, after which any subsequent loan to Tianping College would be accounted for as an intragroup balance and would not have any implications or disclosure obligations under Chapters 13 or 14 of the Listing Rules.

In view of the above, the Board (including the independent non-executive Directors) considers that the terms of the Loan Agreements are fair and reasonable and in normal commercial terms, and the entering into of the Loan Agreements is in the interests of the Company and its Shareholders as a whole.
