## **POSITIVE PROFIT ALERT**

This announcement is made by Q P Group Holdings Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) (the “**SFO**”).

Based on the preliminary review of the unaudited consolidated management accounts of the Group and other information currently available, the board of directors of the Company (the “**Board**”) wishes to inform shareholders of the Company and potential investors that the Group is expected to record a consolidated profit attributable to equity holders of the Company in the range of approximately HK\$50.0 million to HK\$60.0 million for the six months ended 30 June 2024 (“**6M2024**”) as compared to that of approximately HK\$35.8 million for the six months ended 30 June 2023 (“**6M2023**”).

The Board considers that the improvement of the Group’s results for 6M2024 as compared to that for 6M2023 was primarily attributable to, among other factors, the positive effects of better economies of scale driven by the increase in revenue from both original equipment manufacturer sales and web sales as well as the continuous enhancement in operational and production efficiency, which were partially offset by the increase in selling expenses and administrative expenses.

**The Company is still in the process of preparing the interim results of the Group for 6M2024. The information contained in this announcement is only a preliminary assessment by the management of the Group based on the unaudited consolidated management accounts of the Group and the information currently available to the Group, which have not been reviewed by the Company's auditors nor were they reviewed by the audit committee of the Company. The Group's actual financial results for 6M2024 may be different from what is disclosed in this announcement. Shareholders and potential investors are advised to read carefully the interim results announcement of the Group for 6M2024, which is expected to be released on or before the end of August 2024.**

**Shareholders and potential investors are advised to exercise caution when dealing in the securities of the Company.**
