POSITIVE PROFIT ALERT

This announcement is made by the board (the “**Board**”) of directors (the “**Directors**”) of Time Interconnect Technology Limited (“the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The Board would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the Group’s unaudited consolidated management accounts for the six months ended 30 June 2024 and the information currently available to the Board, the net profit of the Group for the six months ended 30 June 2024 is expected to record an increase of a range of 30% to 40% as compared to the net profit of the Group for the six months ended 30 September 2023 as disclosed in its 2023/2024 interim report. Such increase was primarily due to the increase in revenue generated from medical equipment and data centre in cable assembly sector, and specialty cable in digital cable sector, with all three market sectors having better profit margin.

The Company is still in the process of finalising the interim results of the Group for the six months ended 30 June 2024. The information contained in this announcement is only based on the Board’s preliminary assessment with reference to the information currently available to the Board and the Group’s unaudited consolidated management accounts for the six months ended 30 June 2024, which have not been reviewed or audited by the Company’s auditors nor confirmed by the audit committee of the Company and may be subject to further adjustment(s). Accordingly, the actual results of the Group for the six months ended 30 June 2024 may be different from the information disclosed herein. Details of the Group’s financial performance will be disclosed in the interim results announcement of the Group for the six months ended 30 June 2024, which is expected to be published before the end of August 2024.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
Time Interconnect Technology Limited
Cua Tin Yin Simon
