**VOLUNTARY ANNOUNCEMENT IN  
RELATION TO THE COMMENCEMENT OF  
KAMBOVE'S MSESА PROJECT**

This is a voluntary announcement made by China Nonferrous Mining Corporation Limited (the “**Company**”, together with its subsidiaries, collectively the “**Group**”).

The board of directors (the “**Board**”) of the Company is pleased to announce that Kambove Mining SAS, a member of the Group, has recently commenced the open pit water drainage and sludging project in the MSESА Mine, with the relevant management members of the Company and the vice president of La Generale des Carrieres et des Mines SA (“**GCM**”), among others, attending the kick-off ceremony.

MSESА Mine is one of the most important mining projects of the Company, which will create a large number of jobs, drive the development of the local economy of DRC and bring substantial benefits to the shareholders of the Company after the project is put into operation. The project also represents another milestone in the co-operation and development between the Company and GCM. Next, the Company will commence the construction of underground mine and supporting metallurgical processing plant according to plan, and make every effort to promote the early completion and commissioning of the MSESА project.
