

## CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.

This report, for which the directors (the "Directors") of AV Promotions Holdings Limited (the "Company") collectively and individually accept full responsibilities, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the "GEM Listing Rules") for the purpose of giving information with regard to the Company and its subsidiaries (collectively the "Group", "we", "our" or "us"). The Directors, having made all reasonable enquiries, confirm that, to the best of their knowledge and belief, the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.

#### MANAGEMENT DISCUSSION AND ANALYSIS

#### BUSINESS REVIEW AND PROSPECTS

The Group is principally engaged in the provision of one-stop visual, lighting and audio solution services in Hong Kong, the PRC and Macau. The Group derived its revenue from provision of the aforesaid services to exhibitions, ceremonies, conferences, TV shows, product launches, concerts and other types of events.

Since early 2020, the outbreak of novel coronavirus disease (COVID-19) (the "Pandemic") had adversely affected the overall economies in Hong Kong, the PRC and Macau. During the six months ended 30 June 2024, the Group was engaged in 410 events compared with 421 events for corresponding period in 2023. The Group derived approximately 46.8% of its total revenue (for the six months ended 30 June 2023: 62.5%) from exhibitions during the six months ended 30 June 2024, the majority of which took place in Hong Kong and the PRC.

Although the impact of the Pandemic has adversely affected the financial performance of the Group in past few years, with the easing of the epidemic in early 2023, the general public's activities gradually returned to normal. We expect that the financial performance afterwards will be maintained to the level before the Pandemic. The Group is well confident to further improve its profitability and bring value to its stakeholders in the long run.

Looking forward, we will continue to take all the necessary measures to minimise the impact of the Pandemic on the Group and to actively explore business opportunities as the economies in Hong Kong, the PRC and Macau are expected to gradually recover.

#### CORPORATE GOVERNANCE PRACTICE

The Board is responsible for performing the corporate governance duties stipulated in the Corporate Governance Code and Corporate Governance Report (the "CG Code") as set out in Appendix 15 to the GEM Listing Rules, which includes developing and reviewing the Company's policies and practices on corporate governance, training and providing continuous professional development of Directors, and reviewing the Company's compliance with the principles and applicable code provisions in the CG Code and disclosures in this report.

During the six months ended 30 June 2024 and up to the date of this report, the Company has complied with the code provisions of the CG Code, except for the deviations of paragraph C.2.1 of Part 2 of the CG Code, which is explained in the paragraph below.

#### CHAIRMAN AND CHIEF EXECUTIVE OFFICER

Provision C.2.1 of Part 2 of the CG Code stipulates that the roles of chairman and chief executive officer should be separate and should not be performed by the same individual. Mr. Wong Man Por is currently the chairman and the chief executive officer of the Company. Mr. MP Wong was re-designated as the chief executive officer with effect from 30 September 2021 following the resignation of the former chief executive officer. The Board is of the view that the vesting of the roles of chairman and chief executive officer in Mr. MP Wong is beneficial to the business operations and management of the Group as it would provide a strong leadership to the Group, considering that Mr. MP Wong has been managing the Group's business and formulation of the Group's strategic vision, direction and goals, as well as monitoring, evaluating and developing the Group's business since the Group's establishment. In allowing the two roles to be vested in the same person, the Board believes that both positions require in-depth knowledge and considerable experience of the Group's business and Mr. MP Wong is the most suitable person to occupy both positions for effective management of the Group following the resignation of the former chief executive officer. Therefore, the Board considers that the deviation from provision C.2.1 of Part 2 of the CG Code is appropriate in the circumstance.

#### COMMUNICATION WITH SHAREHOLDERS AND INVESTOR RELATIONS

The Company believes that maintaining a high level of transparency is key to enhancing investor relations. The Company is committed to a policy of open and timely disclosure of corporate information to the shareholders of the Company (the "Shareholders") and the public. The annual general meetings and other general meetings of the Company are the primary communication forum between the Company and its Shareholders. The Board, appropriate senior management and the external auditor will attend the general meetings to answer the Shareholders' questions. In addition, the Company updates its Shareholders on its latest business developments and financial performance through its annual and interim reports. The corporate website of the Company (www.avpromotions.com) has provided an effective communication platform to its Shareholders and the public.

Tricor Investor Services Limited, the Hong Kong branch share registrar of the Company, serves the Shareholders in respect of share registration, dividend payments and related matters.

#### SHARE OPTION SCHEME

The Company has adopted a share option scheme on 1 December 2017 (the "Share Option Scheme"). The summary of the principal terms of the Share Option Scheme is set out in Appendix IV to the prospectus of the Company dated 8 December 2017 and are in accordance with the provisions of Chapter 23 of the GEM Listing Rules. The main purpose of the Share Option Scheme is to attract and retain the best available personnel, to provide additional incentive to employees (full-time and part-time), directors, consultants, advisers, distributors, contractors, suppliers, agents, customers, business partners and service providers of the Group and to promote the success of the business of the Group.

No share option has been granted, exercised, cancelled or lapsed under the Share Option Scheme since the adoption of the Share Option Scheme and there was no share option outstanding as at 30 June 2024.

The Company established the Audit Committee in compliance with Appendix 15 to the GEM Listing Rules which comprises three independent non-executive Directors, namely Dr. Leung Wai Cheung, Mr. Cheung Wai Lun Jacky and Mr. Chan Wing Kee. Dr. Leung Wai Cheung is the chairman of the Audit Committee. The Company has also established the written terms of reference of the Audit Committee in compliance with Rules 5.28 to 5.33 of the GEM Listing Rules and code provisions C3.3 and C3.7 of the CG Code.

The primary duties of the Audit Committee are to assist the Board by providing an independent view of the effectiveness of the financial reporting process, risk management and internal control systems of the Group, to oversee the audit process, to develop and review the policies of the Group and to perform other duties and responsibilities as assigned by the Board. The full terms of reference setting out details of duties of the Audit Committee is available on both the GEM website of the Stock Exchange and the Company's website.
