POSITIVE PROFIT ALERT

This announcement is made by Cirtek Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six-months period ended 30 June 2024 (the “**Reporting Period**”) and the information currently available to the Board, the Group expects to record revenue of not less than HK\$260.0 million for the Reporting Period as compared to approximately HK\$160.2 million for the six-months period ended 30 June 2023 (the “**Corresponding Period**”). Moreover, the Group expects to record net profit after tax of not less than HK\$28.0 million for the Reporting Period as compared to net loss after tax of approximately HK\$18.7 million for the Corresponding Period. To the best knowledge of the Directors, the increase in revenue and net profit after tax was primarily due to (i) a steady growth in revenue of the Group during the Reporting Period driven by a gradual recovery in demand for apparel brands in various regional markets, which led to an increase in customer orders; and (ii) an increase in gross profit margin of the Group during the Reporting Period due to rigorous cost management and efficient deployment of resources.

The Company is in the process of finalising the financial results for the Reporting Period. The information contained in this announcement is only based on the unaudited consolidated management accounts of the Group for the Reporting Period and information currently available to the Board, which has not been reviewed or audited by the independent auditors and the audit and compliance committee of the Company, and may be subject to finalisation and adjustments (if any). Shareholders and potential investors are advised to read carefully the interim results announcement for the Reporting Period of the Group, which is expected to be published by the end of August 2024.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
