POSITIVE PROFIT ALERT

This announcement is made by Imperium Technology Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) of the Company and potential investors that, based on the information currently available to the Company and the preliminary review by the Board of the unaudited consolidated management accounts of the Group for the six-month period ended 30 June 2024, the Group is expected to record a net loss for the six-month period ended 30 June 2024 of not less than HK\$24.0 million as compared to the net loss of approximately HK\$39.3 million for the six-month period ended 30 June 2023.

The Board considered that the decrease in the aforesaid loss was mainly attributable to decrease in (i) share-based payment, write-down on cryptocurrencies, impairment loss on cryptocurrency deposits and receivables; and (ii) impairment loss on game intellectual properties and license and goodwill. Moreover, the Company managed to reduce the loss of the household product segment through effective cost control despite a significant reduction in the segment’s turnover.

The Company is still in the process of finalising the interim results of the Group for the six-month period ended 30 June 2024. The information contained in this announcement is only a preliminary assessment based on the unaudited consolidated management accounts of the Group and the information currently available for the time being, which have not been reviewed by audit committee of the Company and is subject to adjustments. The interim results announcement of the Group for the six-month period ended 30 June 2024 is expected to be released on 30 August 2024. Shareholders and investors are advised to read the results announcement carefully.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
