POSITIVE PROFIT ALERT

This announcement is made by Trigiant Group Limited (“**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (“**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules).

The board (“**Board**”) of directors of the Company wishes to inform the shareholders of the Company and potential investors that based on the Board’s preliminary assessment of the unaudited consolidated management accounts of the Company for the six months ended 30 June 2024 (“**2024H1**”) and the information currently available to the Company, the Company is expected to record a profit of approximately RMB40.9 million for 2024H1 as compared to the unaudited profit of approximately RMB34.5 million recorded for the six months ended 30 June 2023 (“**2023H1**”), representing an increase of approximately 18.5%. Major contributing factors for such increase in profit are as follows:

- (1) the Group’s other income for 2024H1 is approximately RMB16.5 million, as compared to that for 2023H1 (RMB8.4 million) increased by approximately 95.3%, which was primarily due to value-added tax credits concessions recorded in 2024H1;
- (2) the Group’s preliminarily estimates that the impairment losses under expected credit loss model, net of reversal for 2024H1 is approximately RMB7.5 million, as compared to that for 2023H1 (RMB23.8 million) decreased by approximately 68.5%. There was a slight decrease in the provision ratio adopted for trade receivables as of 30 June 2024 since the collection of trade receivables in 2024H1 was better than expected; and

(3) the Group's turnover and gross profit for 2024H1 are expected to record a decrease of not more than 10% as compared to that for 2023H1, the decrease in turnover and gross profit were mainly due to the control of capital expenditure of the telecommunications operators worldwide; such decrease in gross profit has partially offsetted the impact of the factors above.

The information contained in this announcement is only based on the preliminary assessment made by the Board with reference to the unaudited consolidated management accounts for 2024H1 and other information currently available and may be subject to adjustment or change. Shareholders of the Company and potential investors are advised to read the interim results of the Group which will be disclosed in the interim results announcement for 2024H1 to be published by the Company in late August 2024.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the securities of the Company.
