**INTERIM REPORT**

## CHARACTERISTICS OF THE GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE “STOCK EXCHANGE”)

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

*Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this report, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this report.*

*This report, for which the directors (the “Directors”) of Cool Link (Holdings) Limited (the “Company” and together with its subsidiaries, the “Group”) collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM of the Stock Exchange (the “GEM Listing Rules”) for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this report is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this report misleading.*

The Group is principally engaged in food and healthcare supplies business. During the six months ended 30 June 2024, the Group continued to supply products to ship chandlers, retailers and customers who are in the related service industry.

The Group's suppliers mainly comprise manufacturers and trading companies around the globe, including but not limited to Asia, Europe and Middle East. Our local suppliers deliver their products to our warehouse directly at their own cost. On occasion, where the need is urgent, we may collect the products from these local suppliers ourselves.

As regards our typical sales process, we maintain an orderly system established for customers to enquire and obtain quotations for products. We coordinate and communicate with customers on their orders. Once such requests for quotations are received, we prepare quotations based on our product offering, stock level and price. Once our response is received and accepted by the customer, the customer then submits a purchase order to us. We receive the purchase order, then issue invoices for the accepted orders and arrange for packing and delivery.

We supply various types of food products mainly including canned food and packaged beverages in the dry category, various dairy products in the chilled category and ice cream and frozen cakes and pies in the frozen category to our customers, who consist mainly of ship chandlers based in Singapore.
