The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders (the “**Shareholders**”) and potential investors of the Company that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2024 (the “**Current Period**”) and the information currently available to the Board, the Group is expected to record a loss attributable to owners of the Company of approximately HK\$2.2 million for the Current Period as compared with a profit attributable to owners of the Company of approximately HK\$7.0 million for the six months ended 30 September 2023.

The anticipated turnaround of the Group’s results from profit to loss was primarily attributable to the overall economic downturn. The Group is still in the process of finalising its interim results for the Current Period, which will be published by late November 2024. Shareholders and potential investors of the Company are advised to read the interim results announcement of the Group for the Current Period with care when it is published.
