**FURTHER DELAY IN PUBLICATION OF THE 2023 ANNUAL RESULTS AND
DESPATCH OF THE 2023 ANNUAL REPORT**

The Board wishes to inform the Shareholders that there will be a further delay in publication of the 2023 Annual Results because, as at the date of this announcement, the Company is still in the process of collecting and collating the necessary information and documents from its subsidiaries as required by the Auditor to complete the auditing process, including but not limited to:

1. audit confirmations from suppliers and customers;
2. legal confirmation on litigations in relation to certain subsidiaries of the Company;
3. valuation results on impairment assessments of the Group; and

4. supporting documents for working capital forecast which concludes the going concern basis.

Pursuant to Rule 18.49 of the GEM Listing Rules, the Company is required to publish the 2023 Annual Results not later than three months after the end of the financial year (i.e. on or before 31 March 2024).

As disclosed in the Announcements, the Company expected to publish the 2023 Annual Results in the end of September 2024. However, additional time is required for the Auditor to collect necessary information and documents of, among others, impairment assessment of properties, plant and equipment and right-of-use assets of the Group and the Group's ability to continue as a going concern, and collecting necessary confirmations. The Company is working closely with its subsidiaries and the Auditor to provide all requisite information and documents to complete the audit procedures as soon as possible. Subject to any unforeseeable circumstances and assuming that the audit procedure will be completed before the end of February 2025, the Company expects to publish the 2023 Annual Results on or before 28 February 2025.

Pursuant to Rule 18.03 of the GEM Listing Rules, the Company is required to despatch the annual report for the financial year ended 31 December 2023 (the “**2023 Annual Report**”) to the Shareholders not more than four months after the date upon which the financial period ended (i.e. on or before 30 April 2024). Due to the delay in the publication of the 2023 Annual Results, there will be a delay in the despatch of the 2023 Annual Report. Subject to any unforeseeable circumstances and assuming that the audit process will be completed before the end of February 2025, the Company expects to despatch the 2023 Annual Report shortly after the publication of the 2023 Annual Results.

DELAY IN PUBLICATION OF THE 2024 INTERIM RESULTS AND DESPATCH OF THE 2024 INTERIM REPORT

Pursuant to Rules 18.78 and 18.53 of the Listing Rules, the Company is required to publish an announcement in relation to its preliminary results for the six months ended 30 June 2024 (the “**2024 Interim Results**”) not later than two months after the end of the relevant financial period (i.e. on or before 31 August 2024) and to despatch its interim report for the six months ended 30 June 2024 (the “**2024 Interim Report**”) to the Shareholders not more than three months after the end of the relevant financial period (i.e. on or before 30 September 2024). In view of the further delay of the publication of the 2023 Annual Results as additional time is required for the Auditor to complete the audit process, there will be a delay for the 2024 Interim Results and the 2024 Interim Report accordingly.

As mentioned above, the audit process in respect of the 2023 Annual Results is still currently in progress. Due to the delay in the publication of the 2023 Annual Results, the Company was unable to publish the 2024 Interim Results by the end of August 2024 and despatch the 2024 Interim Report by the end of September 2024. The Company will publish further announcement to inform the Shareholders of the date of the release of the 2024 Interim Results and the date of despatch of the 2024 Interim Report as and when appropriate.
