The Interim Financial Statements do not include all the information required in annual consolidated financial statements in accordance with Hong Kong Financial Reporting Standards (“**HKFRSs**”), which collective term includes all applicable individual HKFRSs, HKASs and Interpretations issued by the HKICPA, and should be read in conjunction with the Group’s annual consolidated financial statements for the year ended 31 March 2024 (the “**Annual Financial Statements 2023/24**”).

The Company has adopted the share option scheme on 28 December 2017 and has been amended on 28 April 2023 (the “**Share Option Scheme**”). The terms of the Share Option Scheme are in accordance with the provisions of Chapter 23 of the GEM Listing Rules.

Details of the Share Option Scheme are as follows:

1. **Purposes**

The purpose of the Share Option Scheme is to enable the Company to grant options to selected participants as incentives or rewards for their contribution to the Group.

2. **Eligible participants**

The eligible participants include Directors (including independent non-executive Directors) and employees of any member of the Group (including persons who are granted options under this Share Option Scheme as an inducement to enter into employment contracts with any member of the Group).

3. **Total number of Shares available for issue**

The total number of Shares which may be issued upon exercise of all options to be granted under the Share Option Scheme and any other share option scheme or awards of the Group must not in aggregate exceed 10% of the total number of Shares in issue as at 28 April 2023, being the date of approval of the refreshment of 10% general scheme limit under the Share Option Scheme by the Shareholders (i.e. 21,152,472 Shares, representing approximately 10% of the total number of Shares in issue as at 28 April 2023).

The total number of Shares issued and to be issued upon exercise of the options granted under the Share Option Scheme (including both exercised and outstanding options) to each participant in any 12-month period must not exceed 1% of the Shares in issue for the time being (the “**Individual Limit**”). Any further grant of options to a participant in excess of the Individual Limit in any 12-month period up to and including the date of such further grant shall be subject to the issue of a circular to the Shareholders and the Shareholders’ approval in the general meeting of the Company with such participant and his/her associates abstaining from voting.

Where any grant of options to a substantial Shareholder or an independent non-executive Director (the “**INED**”) or any of their respective associates, would result in the Shares issued and to be issued upon exercise of all options already granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant: (i) representing in aggregate over 0.1% of the Shares in issue; and (ii) having an aggregate value, based on the closing price of the Shares at the date of each grant, in excess of HK\$5 million, such further grant of options must be approved by the Shareholders.

5. ***Period of the Share Option Scheme***

The Share Option Scheme will remain in force for a period of ten years commencing on 28 December 2017, being the date of adoption of the Share Option Scheme, to 27 December 2027.

6. ***Time of acceptance of the offer***

An option may be accepted by a participant within 21 days from the date of the offer of grant of the option.

7. ***Minimum period for which an option must be held before it can be exercised***

The vesting period for options shall not be less than 12 months. Options granted to employee participants may be subject to a shorter vesting period under the following circumstances:

- (a) grants of Options with performance-based vesting conditions as determined by the Board, in lieu of time-based vesting criteria;
- (b) grants of Options with a mixed or accelerated vesting schedule such as where the awards may vest evenly over a period of 12 months; and
- (c) grants of Options with a total vesting and holding period of more than 12 months.

8. ***Consideration for the option***

The subscription price for the Shares under the Share Option Scheme will be a price determined by the Director, but shall not be less than the highest of: (a) the closing price of the Shares as stated in the Stock Exchange's daily quotations sheet on the date of the offer of grant, which must be a business day; (b) the average closing price of the Shares as stated in the Stock Exchange's daily quotations sheets for the five business days immediately preceding the date of the offer of the grant; and (c) the nominal value of a Share.

10. ***Transfer or assignment***

An option is personal to the grantee and shall not be transferable or assignable. Subject to the Stock Exchange granting the necessary waiver, a grantee may transfer any options to a vehicle (such as a trust or a private company) for the benefit of the grantee and any family members of such grantee including but not limited to for estate planning and/or tax planning purposes that would continue to meet the purpose of the Share Option Scheme and comply with other requirements of Chapter 23 of the GEM Listing Rules.
