PROFIT WARNING

This announcement is made by Teamway International Group Holdings Limited (the “**Company**”), together with its subsidiaries (the “**Group**”), pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the laws of Hong Kong).

Anticipation of an Increase in Loss

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders (“**Shareholders**”) and potential investors of the Company that, based on the information currently available and preliminary assessment of the latest unaudited financial information of the Group, the Group expects to record an increase in loss attributable to owners of the parent for the year ended 31 December 2024 (“**FY2024**”) by approximately 20% to 30% as compared with the loss attributable to owners of the parent of approximately RMB68.30 million for the year ended 31 December 2023 (“**FY2023**”).

Such expected increase was mainly attributable to the following reasons:

- (i) a decrease in sales of packaging products and structural components due to weakened demand from our customers; and
- (ii) a decrease in gross profit margin due to diminishing economies of scale with respect to the lack of competitive advantage from mass production.

The above information is only based on the preliminary assessment by the Company with reference to the information currently available and the unaudited management accounts of the Group, which is therefore subject to necessary adjustments or amendments.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
