This announcement is made by CMBC Capital Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the inside information provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2024 (the “**Relevant Year**”) and the information currently available to the Board, the Group expects to record a consolidated net profit of approximately HK\$45 million to HK\$55 million for the Relevant Year (last year: consolidated net loss of HK\$572 million).

The Board considers that the above turn from loss to profit was mainly attributable to increases in investment gains or losses and fair value change of the Group’s investments, and increase in revenue from investment banking fee-based business due to the Group’s transformation and development, and the significant decrease in the provision of expected credit losses on the Group’s bond investments and loans and advances during the Relevant Year.
