PROFIT WARNING

This announcement is made by Sunway International Holdings Limited (the “**Company**” and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Future Ordinance (Chapter 571, Law of Hong Kong).

The board of directors of the Company (the “**Board**”) would like to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that based on the information currently available to the management of the Company and the preliminary review of the Group’s latest available unaudited consolidated management accounts for the year ended 31 December 2024, the Group’s consolidated loss is expected to increase by approximately 18% to 28% as compared to the corresponding period in 2023. Such an increase in expected consolidated loss, which is mainly due to the slumping property market and related business sectors in the People’s Republic of China (the “**PRC**”), is attributable to:

- (i) the increase in impairment losses recognised under expected credit loss model on trade and other receivables by approximately HK\$33 million;
- (ii) the increase in loss on disposal of property, plant and equipment by approximately HK\$9 million; and
- (iii) the outstanding goodwill of approximately HK\$20 million, relating to the Group’s manufacturing and trading business in the PRC, was impaired during 2023 but there is no such item for the current year.

The Company has not yet finalised the annual results of the Group for the year ended 31 December 2024. This announcement is only based on the preliminary assessment on the consolidated management accounts of the Group which has not been reviewed by the audit committee of the Company and may be subject to amendments.

Shareholders and potential investors are advised to read carefully the results announcement of the Company for the year ended 31 December 2024, which is expected to be published by the end of March 2025 or such a later date when available.

Shareholders of the Company and potential investors should exercise caution when dealing in the shares of the Company.
