ANNUAL RESULTS ANNOUNCEMENT FOR THE YEAR ENDED 31 DECEMBER 2024

CHARACTERISTICS OF GEM OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized companies, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

This announcement, for which the directors (the "Directors") of Basetrophy Group Holdings Limited (the "Company" and together with its subsidiaries, the "Group") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM (the "GEM Listing Rules") of the Stock Exchange for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement in this announcement misleading.

Its parent and ultimate holding company is Brightly Ahead Limited, a company incorporated in the British Virgin Islands ("**BVI**") and wholly-owned by Mr. Lau Chung Ho, the controlling party of the Company.

The address of the Company's registered office is Windward 3, Regatta Office Park, PO Box 1350, Grand Cayman KY1-1108, Cayman Islands and the Company's principal place of business is Flat B-31, 4th Floor, Park Fook Industrial Building, 615-617 Tai Nan West Street, Cheung Sha Wan, Kowloon, Hong Kong. The Company is an investment holding company. The Company and its subsidiaries (the "**Group**") are principally engaged in provision of foundation and related works in Hong Kong and trading of alcoholic beverages in the People's Republic of China (the "**PRC**").

The consolidated financial statements are presented in Hong Kong dollars ("HK\$"), unless otherwise stated.

2 SUMMARY OF MATERIAL ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

2.1 Basis of preparation

The consolidated financial statements of the Group have been prepared in accordance with all applicable HKFRS Accounting Standards issued by the Hong Kong Institute of Certified Public Accountants ("**HKICPA**"). In addition, the consolidated financial statements include applicable disclosures required by the Rules Governing the Listing of Securities on GEM of the Stock Exchange and by the Hong Kong Companies Ordinance. The consolidated financial statements have been prepared under the historical cost convention, except for the financial assets at fair value through profit or loss.

The preparation of financial statements in conformity with HKFRS Accounting Standards requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Group's accounting policies.

Amendments to HKFRS Accounting Standards that are mandatorily effective for the current year

In the current year, the Group has applied the following amendments to HKFRS Accounting Standards issued by the HKICPA for the first time, which are mandatorily effective for the annual periods beginning on or after 1 January 2024 for the preparation of the consolidated financial statements:

Amendments to HKFRS 16	Lease Liability in a Sale and Leaseback
Amendment to HKAS 1	Classification of Liabilities as Current or Non-current
Amendments to HKAS 1	Non-current Liabilities with Covenants
Amendments to HKAS 7 and HKFRS 7	Supplier Finance Arrangement

The application of the amendments to HKFRSs in the current year has had no material impact on the Group's financial positions and performance for the current and prior years and/or on the disclosures set out in these consolidated financial statements.

New and amendments to HKFRS Accounting Standards in issue but not yet effective

The Group has not early applied the following amendments to HKFRS Accounting Standards that have been issued but are not yet effective:

HKFRS 18	Presentation and Disclosure in Financial Statements ³
Amendments to HKFRS 9 and HKFRS 7	Amendments to the Classification and Measurement
	of Financial Instruments ²
Amendments to HKFRS 9 and HKFRS 7	Contract Referencing Nature-dependent Electricity ²
Amendments to HKAS 28 and HKFRS 10	Sale or Contribution of Assets between an Investor
	and its Associate or Joint Venture ⁴
Amendments to HKAS 21	Lack of Exchangeability ¹
Annual Improvements to HKFRS	Amendments to HKFRS 1, HKFRS 7, HKFRS 9,
Accounting Standards – Volume 11	HKFRS 10 and HKAS 7 ²
HK Int 5	Classification by the Borrower of a Term Loan that
	Contains a Repayment on Demand Clause ³

- ¹ Effective for annual periods beginning on or after 1 January 2025
- ² Effective for annual periods beginning on or after 1 January 2026
- ³ Effective for annual/reporting periods beginning on or after 1 January 2027

⁴ No mandatory effective date yet determined but available for adoption

Except as described below, the application of the new and amendments to HKFRS Accounting Standards, are not expected to have significant impact on the Group's financial statements.

HKFRS 18 replaces HKAS 1 Presentation of Financial Statements. While a number of sections have been brought forward from HKAS 1 with limited changes, HKFRS 18 introduces new requirements for presentation within the statement of profit or loss, including specified totals and subtotals. Entities are required to classify all income and expenses within the statement of profit or loss into one of the five categories: operating, investing, financing, income taxes and discontinued operations, and to present two new defined subtotals. It also requires disclosures about management-defined performance measures in a single note and introduces enhanced requirements on the grouping (aggregation and disaggregation) and the location of information in both the primary financial statements and the notes. Some requirements previously included in HKAS 1 are moved to HKAS 8 Accounting Policies, Changes in Accounting Estimates and Errors, which is renamed as HKAS 8 Basis of Preparation of Financial Statements. As a consequence of the issuance of HKFRS 18, limited, but widely applicable, amendments are made to HKAS 7 Statement of Cash Flows, HKAS 33 Earnings Per Share and HKAS 34 Interim Financial Reporting. In addition, there are minor consequential amendments to other HKFRSs. HKFRS 18 and the consequential amendments to other HKFRS Accounting Standards will be effective for annual periods beginning on or after 1 January 2027 with earlier application permitted. Retrospective application is required. The Group is currently analysing the new requirements and assessing the impact of HKFRS 18 on the presentation and disclosure of the Group's financial statements.

Performance obligations for contracts with customers

- i) The Group provides services of foundation and site formation works and other geotechnical engineering works to customers. Such services are recognised as a performance obligation satisfied over time as the Group creates or enhances an asset that the customer controls as the asset is created or enhanced. Revenue for these works is therefore recognised over time using output method, i.e. based on surveys of the relevant services completed by the Group to date with reference to certificates issued by customers or payment applications confirmed by internal surveyor. The directors of the Company consider that output method would faithfully depict the Group's performance towards complete satisfaction of these performance obligations in these contracts under HKFRS 15.
- ii) Revenue from alcoholic beverages trading is recognised when the control of goods is transferred, being when the goods are delivered to the customer's specific location and the customers obtain physical possession of the goods and accept the significant risks and rewards of ownership of the goods. A receivable is recognised by the Group when the goods are delivered to the customers as this represents the Group's right to consideration becomes unconditional, as only the passage of time is required before payment is due. The contracts signed with the customers are fixed price contracts.

PRINCIPAL RISKS AND UNCERTAINTIES

The Directors believe that there are certain risks and uncertainties involved in the operations, some of which are beyond the Group's control. The Directors believe the relatively significant risks relating to the Group's business are as follows:

 A significant portion of the Group's revenue was generated from contracts which were not recurrent in nature and were awarded by a few customers, and there is no guarantee that such customers will provide the Group with new business;

- As the Group from time to time engages subcontractors in its projects, the Group may have to bear responsibilities for any non-performance, delayed performance, sub-standard performance or non-compliance of the subcontractors; and
- There may be discrepancies between the ground investigation findings and the actual geological conditions of the site which may cause the Group to incur additional cost or result in potential claims which are not insured and adversely affect the Group's profitability as the related contracts are usually of a fixed sum without price adjustment mechanism.

A detailed discussion of the risk factors is set forth in the section headed "Risk Factors" in the prospectus of the Company dated 14 June 2017 (the "**Prospectus**").
